ONE RACE CALLED OFF AND MANY SCRATCHES

Bel Direct Won Fast Pace in
Straight Heats—A Local
Event.

MONTREAL, Jan. 13.—(Special.)—Ice racing commenced today at Delorimier Park under the auspices of the Montreal Driving Club. The weather was not the most inviting, and track conditions were not of the best. The constant rain of yesterday and last night had to a certain extent honeycombed the track and there was no sensational time made. Three races were carded for the day, but only two were raced, the 230 class trot failing to fill. The attendance was quite up to the mark for opening day despite the unfavorable weather. The officials for the meeting are: Jas. Hughes, presiding judge; D. Richard and A. C. Card, timekeepers; and A. H. Merrill of Danvers, Mass., starter. The first race called was a local event for 235 pacers with nine entries. Hal, owned by Paul Dennis of Montreal, was easily the best and stepped the three heat race in 2:24, 2:24, and 2:24. Harry K. Jr., owned by Shann, was the favorite in the audience, but he could do no better. The 211 pace was the other race on the program, with an entry list of 18 horses. When carded, the race was only five scored. Bel Direct, owned by the Bel, owned and driven by S. Minion, was the favorite in the audience. He was a decided favorite in the audience, and he was the only one to finish the race. He was a decided favorite in the audience, and he was the only one to finish the race. He was a decided favorite in the audience, and he was the only one to finish the race.

Swimming for Medals
By Women Over Sixty

Swimming for Medals By Women Over Sixty

MONTREAL, Jan. 13.—A despatch from Los Angeles says: The free-for-all swim, restricted to women over 60 years of age, is over, and Mrs. C. K. Scholl of 1037 Byram Apartments was named today by Prof. T. Wilkinson of Bimini Baths as the champion "Grandma Swimmer of the world." The races were the result of a free course of swimming instructions, offered by Wilkinson as a Christmas present to the elderly women of this city. In all, about 100 grandmothers took advantage of his offer and have been taught swimming during the last few weeks. "I believe that every woman who took my course will live a year longer," said Prof. Wilkinson today. "I feel that my unique Christmas philanthropy was a huge success." A husband who was present while his wife was taking her lessons, told me that the swimming had done more to restore her nerves and health, as well as to allay the disposition of his wife than all the doctors and sermons had been able to do in two years. When the women finished their course of instruction, they were entered in a grand free-for-all over a course extending the length of the plunge. Mrs. Scholl emerged first. Media were given to the first six contestants. Following are names of the first six women: Mrs. Scholl, Mrs. K. Long, 562 Chicago street; Mrs. Clara Small, Mrs. E. R. Kidd, Mrs. L. Posens and Mrs. E. R. Correll. Prof. Wilkinson was formerly swimming instructor of the M.A.A.A. Jimmy Callahan used to be a plumber in his youth. Just as soon as a man becomes famous someone starts rattling the skeleton. How much more romantic the skeleton.

OREGON PACER WON FORTUNE IN SEASON

Hal Boy, an Oregon product, is said to have won more money during the last harness horse season than any meet ever has annexed in a single year. Notwithstanding the fact that Hal Boy started out badly during the early part of the year by losing several important races, his total winnings foot up to the respectable approximate of \$85,000. Stoughton Fletcher's speeder first came into prominence in California, where the pacer attracted attention to himself by winning 16 out of 17 races. The Indianapolis banker paid \$12,000 for him, and at that time, many old followers of the harness considered the price excessive. Since being placed in the hands of Trainer McMahon, Hal Boy has more than justified his owner's confidence in his capabilities. The horse is eight years old and sound and many look on him to be one of the sensations of the 1915 season. Hal Boy placed second in the Panama Pacific Exposition \$20,000 race.

Put the Horse on a Better Footing

In a big city, with its asphalt streets, the horse is strictly up against it on those days when a rain changes to a "freeze." The only way the horse can possibly get along as usual is when he is fitted with Dunlop Horse Shoe Pads—masters of the weather.
