U. S. Soldiers Were Quietly Dropped

They Were Men Whose Sympathies Were Known to Be With Germans—Navy Already Cleaned Out

New York, Oct. 3.—About twenty-five soldiers of the regular army, who at the beginning of the war with Germany were on duty at posts in and near New York city, have been quietly dropped as a result of investigations as to their loyalty. They were not dropped as "spies," but simply because they were of German origin and of known German sympathies in the present war.

This information comes from a source of unquestioned authority, and the number of German soldiers refers only to this particular section of the country. Many other soldiers, it is understood, have been quietly discharged from the army in other parts of the country.

Some of the soldiers who are now no longer in the service held non-commissioned positions, and in a few cases forward of their own accord and frankly stated that their sympathies were with Germany and that they would resign having to go to Europe to fight against men of their fatherland. In every instance, it was said, these men were discharged from the army and all are now pursuing, unhampered, so far as is known, other vocations in civil life.

As to the situation in the navy, it can be stated that the number dropped is not nearly so large as is the case in the army. This is due to the splendid efficiency of the navy's own intelligence service which weeks before war was declared began a round-up of the men whose services in time of war the navy did not desire. When war was declared practically every man whom the navy had reason to distrust had already been dropped from the service.

Tired, Aching Feet and Limbs

are promptly relieved by applying Absorbine, Jr., the antiseptic liniment. It is soothing, healing, and invigorating—puts vim and energy into jaded muscles. One of the many enthusiastic users writes: "I received the trial bottle of Absorbine, Jr., all right and at that time was unable to walk without a cane, just around the house. I used it freely and inside of two days could walk without limping, something I had not done in two months. I went to the drug store and procured a \$1.00 bottle and today can walk as good as ever. I'll never be without it. I am recommending it to everyone I can, for I am a living witness."

Absorbine, Jr., should always be kept at hand for emergencies.

At druggists, \$1.00 and \$2.00 a bottle or sent postpaid. Liberal trial bottle for 10c. in stamps.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

THE GOLDEN AGE

How sweet our youthful days, How bright youth's golden hour, No more behind the flowers, For, free from care, the youthful gaze Sees sunshine through each shower.

How bright the world would be, If youth were not behind the door, No sin to taint the air, From manhood's curse if it were free And only children there.

How sweet would then be love, How innocent and pure, No evil thoughts to lure, From passion's stormy secure, Methinks if there's a heaven, 'Twill never be for men, We'll all grow young again, And happy be at six, or seven, And never reach old age.

Try Making Your Own Cough Remedy

You can save about \$2. and have a better remedy than the ready-made kind. Easily done.

If you combined the curative properties of every known "ready-made" cough remedy, you would hardly have in them all the curative power that lies in this simple, effective, and easily made remedy. It takes only a few minutes to prepare.

Get from any druggist 2½ ounces of Pinex (50 cents worth), pour it into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 60 cents and gives you 16 ounces of really better cough syrup than you could buy ready-made for \$2.50. Tastes pleasant and never spoils.

This Pinex and sugar syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, inflamed membranes that line the throat, chest, and bronchial tubes, so gently and easily that it is really as soothing as a day's rest will usually be. It is a most valuable concentrated compound of genuine Norway pine extract and has been used for generations to break up severe coughs.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept any cheap imitations. Absolutely no satisfaction or money promptly refunded, with this preparation. The Pinex Co., Toronto, Ont.

Woman Thought She Would Die. Cured by Lydia E. Pinkham's Vegetable Compound.

Ogdensburg, Wis.—"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength and I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female troubles of any kind should try Lydia E. Pinkham's Vegetable Compound."

Mrs. ETNA DORRIS, Ogdensburg, Wis. Physicians undoubtedly did their best, but this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in a E. Pinkham's Vegetable Compound.

If any complication exists it pays to write to Lydia E. Pinkham, Medicine Co., Lynn, Mass., for special free advice.

NEWS NOTES ABOUT PROMINENT BAPTISTS

(Maritime Baptist)

Rev. H. D. Worden reports some encouraging conditions in the work on the Titusville field. A few weeks ago one candidate was baptized at Smithtown. On all parts of the field the interest is being maintained and the outlook is hopeful.

The faithful and efficient work of Pastor H. E. Allaby is bearing fruit on the Boiestown field. Under his leadership the work is advancing along all lines. A wise adjustment of fields will soon be made by the transfer of one low from the Docktown to the Boiestown group. Pastors Allaby and Stachowicz are cordially co-operating toward this desired end.

Rev. E. J. Barras, pastor of the Olivet church, Marysville, is evidently not afraid of work. Recently he added to his field the little church at Penniac. This was formerly grouped with the Main street church, but when the work of that church demanded all the pastor's strength, Penniac was left without services. The new arrangement promises to prove mutually satisfactory.

Rev. A. J. Corey, who recently resigned at Rusagomus, has been induced by his people to reconsider his decision. A very convincing proof of their earnest desire to retain his services was afforded by the substantial increase of salary voted. The field is to be congratulated upon the success of their efforts to induce the pastor to recall his resignation.

Rev. Ralph S. Gregg has been called to the Oromocto field, and we understand, has accepted the call. We have been able to report of late several instances where young men of good education and equipment have been willing to take up work in our smaller country fields. This is a spirit which is to be greatly commended, and which promises much for our work in the future. We still need many more such men.

We have heard with regret of a serious accident to Pastor L. E. VanWart of Coldstream, N.B. While assisting to shingle the parsonage, by the breaking of a staging he was precipitated to the ground, breaking his arm and receiving a severe shaking up. All will hope, and especially the people to whom he so faithfully ministers, that he will not be held aside from his duties for any length of time.

Seeks Men For Forestry Corps

Lewiston, Me., Oct. 3.—Major J. R. Belford, of the Canadian forestry division, has been here, having just returned from the war front for the purpose of securing recruits for the Canadian forestry work in England, Scotland and France. He is after men in unlimited numbers to work the portable sawmills abroad. He is willing to enlist men up to the age of 48 years, not necessarily expert woodsmen, who are either British subjects or Americans exempt from the draft. The work the men are wanted for is the cutting chiefly of beech, fir, elm, etc., for tees, plankroads, props, etc. Men enlisted for this work will receive the Canadian army allowance of \$11.0 a day plus clothing, food, and separation allowance of \$20 a month for dependents, plus regular workmen's pay ranging from \$2.50 to \$8 per diem, plus bonuses to be determined later. He is seeking recruits from all over Maine.

IF YOUR EARS RING WITH HEAD NOISES

If you have Catarrhal Deafness or head noises go to your druggist and get 1 ounce of Permin (double strength), and add to it 1-4 pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial.
