BAXTER RAPPED FOR SUPPORTING MEIGHEN POLICY

Broderick Quotes Premier as
Saying He is Against
High Tariff

HAYES ANSWERS BELL
ON SHOE IMPORTATION

Hon. Dr. Foster Contends
Liberal Tariff is Best
For Canada

ALBERT, Oct. 21.—Contending that the greatest good to the greatest number was the policy of the Liberal party and that conditions under Liberal rule well justified the return to power of the Government led by Hon. W. L. Mackenzie King, Hon. W. E. Foster,

Secretary of State, Liberal candidate in Saint John-Albert, addressed a large audience in Oulton Hall this evening. Addresses were also given by R. T. Hayes, the other Liberal candidate, and Dr. W. P. Broderick, of Saint John, who was a candidate four years ago. Councillor W. J. Carnwath was chairman.

DR. BRODERICK SPEAKS

Dr. Broderick, who spoke first, referred to the overthrow of the Conservative Government in 1921 and asked for a further lease of power for the present Liberal Government which, he said, had not only a platform to get in on, but one to stand on as well. He strongly condemned the high tariff policy of Hon. Mr. Meighen and said he believed it was a camouflage and that the Conservative party did not really believe in it themselves. He severely rapped Hon. Dr. Baxter for going about as an apostle of the Conservative policy when only a short time ago, in February, 1923, Dr. Broderick said, he had stated on the floor of the House that he did not pose as a high tariff man. Dr. Broderick quoted Hon. Mr. Meighen as admitting that the policy was not the best for the Maritime Provinces or the West but best for Quebec and Ontario, were not real friends of the country.

REPLIES TO BELL

He replied to the reported statement of Thomas Bell, one of the Conserva-

tive candidates, that 65 per cent. of the boots and shoes used in Canada were imported from the United States. Mr. Hayes said that as a matter of fact statistics showed that against \$42,000,000 worth of boots and shoes made in Canada only \$2,000,000 worth was imported or less than five per cent. He referred to Meighen as an apostle of gloom and quoted a Conservative paper as saying "Meighen is no good, sees no good, and seeks no good."

Hon. Dr. Foster expressed regret that Albert county had not seen its way clear to accept the offer to have a candidate from the county on the ticket. He wanted the county residents to look upon Mr. Hayes as their special candidate. He made reference to the large number of women present and urged them to weigh well the question of taxation. The minister referred to the statement attributed to Hon. Lewis Smith, Provincial Minister of Agriculture, concerning the importation of agricultural products into Canada, which Dr. Foster claimed to be entirely misleading. There was \$40,000,000 Dr. Foster said, of the \$73,000,000 quoted by Mr. Smith which referred to such products as bananas and other tropical products which were not and could not be grown in Canada.

Dr. Foster dealt fully with the tariff, contending that the Liberal policy was best for all parts of Canada. He urged the electors to see to it that high protection be not forced upon the people.

Jewish Move For Converts Is Urged

CINCINNATI, Oct. 21.—Recommendation that Judaism take an aggressive step to establish friendly relations with non-Jews and to make them acquainted with the Jewish religion was made to the central convention of American Rabbis today by Rabbi Joseph Kauch, of Louisville. "For two thousand years," he said, "Jews have desisted from active means of obtaining converts and the

time has come when we must be more aggressive in this respect."
