NEW YORK, Nov. 4.—Stock prices displayed a strong tone at the opening of today's market, with the market again changing hands in large volume. New 1925 high records were established on opening transactions by Seaboard Air Line, American Smelting, Loos, Wiles-Biscuit, U. S. Rubber and Montgomery Ward, the gains ranging from one to nearly four points. Initial gains of a point or more also were regis-

tered by General Motors, American Sugar Refining, Pan-American, Western Marine, and Ludlum Steel.

IN MONTREAL.
MONTREAL, Nov. 4.—Brazilian and Consolidated Smelters were the most active issues in the early trading on the local stock market this morning, selling at 78.24, up to 5.8 and at 162.12, unchanged, respectively. Asbestos preferred was also fairly active at 113.61, off 3.8, while National Breweries, the only other leader to display any activity, was unchanged at 49.12. Ogilvie, in light trading, was up two to 170. The only other changes worth mentioning were a decline of 5-8 to 317.8 in Atlantic Sugar, and a gain of 1-2 to 8 in Detroit Railway.

Morning Stock Letter

NEW YORK, Nov. 4.—The tremendous fluctuations in Hudson Motor Monday brought some general profit-taking into the market, but the disturbance to the rest of the list was small. Such wide movements in one day, however, are not likely to increase any more in importance stocks and has gone on its way undisturbed.
Point will be reached, however, when the reckoning will be paid and we are likely to see a more conservative market. Outside of the Hudson Motor, however, the market is still plentiful at reasonable rates, business is good and improving, and there are still many increased dividends coming. A good many stocks are likely to be sold at a profit, but of course, to very substantial reactions. The industrial sector, which might be brought forward, still think Anconda will sell around the 18 level, bringing higher prices for the rest of the corpor-

Letters to The Editor

REV. MR. TEDFORD REPLIES.

To the Editor of The Times-Star:
Sir,—The letter appearing in Nov. 3rd issue of The Times-Star from Mr. H. E. Golding, referring to myself, calls for an answer, and I would thank you for an opportunity to reply. It is not my wish to enter any controversy, but explanation. The motion of protest referred to passed at the meeting of the Evangelical Alliance on Monday, was an expression unanimously favored by all the clergymen present, for the purpose of safeguarding our Christian Sabbath. Mr. Golding must be well aware of what the Sunday sacred concert has done for New England, in itself, and in opening the way for all kinds of plays, and play-house entertainment until Sunday and the Sunday evening religious work is largely demoralized. Those of us who have worked years there know of the Godless Sundays and the heart-breaking situation created when God's worship is so much neglected. We are anxious to prevent such a thing from happening again.

At least four times in recent years the Evangelical Alliance has pronounced against these concerts, even for patriotic purposes in war time, as the thin end of the wedge to more flagrant violations. We would also inform Mr. Golding and the public that any minister or church holding a Sunday evening musical or concert in the church after worship, is violating an emphatic resolution passed by the Alliance against such service, and is also betraying the confidence of his fellow ministers. This step was taken to foster a quiet, worshipful spirit in the home church, and react against the host of church tramps who are drifting about wherever they can find a little excitement. Last Sunday, 4 am told, the doors were opened at the Imperia and the audience was materially lessened by the musical service; others report the same results from

their churches, and it is just now stated to me that Mr. Golding's own church suffered considerably in that respect.

All our hearts are deeply moved by the appeal of the orphans; God pity the hearts not so moved. The object is a very worthy one and commends itself to all; but we cannot recede from our position re the Sunday evening concert for that purpose. There are other methods and times more desirable, we believe.

Relative to Chautauque, I would say to my knowledge it has never opened with a Sunday program. Chautauque, on the seven-day circuit, is always in the community over Sunday, and the Sunday program is invariably a religious Vesper service with hymns, prayers and address, with either a Catholic or Protestant speaker, as the case may be, and other talent present taking part. There are no doors to open. After the church service, all who desire gather at the tent for the Vesper worship.

The question of Chautauque is better the issue, but I would say this, it was not Chautauque's fault that money was not left in Saint John for local objects; the offer was and is a standing offer.

Thanking you, Mr. Editor, for your kind courtesy, sincerely,
A. LAWRENCE TEDFORD.
Saint John, Nov. 4.

REV. MR. GOODWIN REPLIES

To the Editor of The Times-Star:
Sir,—As Mr. Walter Golding was pleased to use my name in his discussion of the Sunday Concert let me say that at the October meeting of the Evangelical Alliance the resolution committing the Protestant churches to taking an offering for the Orphanage was proposed by myself. The Portland Methodist church has already taken the offering for the Home during the last two Sundays. The money is now in the hands of the church treasurer ready to be handed over. But what has all this to do with using a play house for Sunday concerts? Not only are such concerts contrary to law, but advertising them is also illegal. Saint John does not want an open Sunday.

H. A. GOODWIN.
Saint John, Nov. 4, 1924.

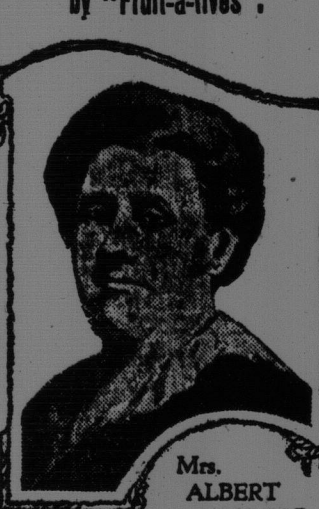

THAT CONCERT

To the Editor of The Times-Star:
Sir,—Re Elks Sacred Concert, November 1st, at Imperial Theatre.
Last night's "Times" reporting a meeting of the Evangelical Alliance claims that the Rev. E. E. Styles informed John Burgoyne that the concert was illegal. Upon reading this I immediately phoned Friend Styles, expressed my surprise at such a statement and pointed out to him that in his "phone conversation on Saturday the 31st ultimo, he had simply stated that whilst in favor of support for the orphans he could not conscientiously support any concert given outside the church walls. The motion of my remembrance of our conversation and that my reply was to courteously thank him for his frank expression of views. No mention of legality, or otherwise, was made. Mr. Styles agreed that I was correct, but replied that he had not stated that he had informed me that such a concert was illegal. Such being the case your reporter must be somewhat at fault.

The effort on the part of the Elks brought response from thousands of people, and it is no exaggeration to say it would have been possible to have filled two other auditoriums as large as the Imperial with the crowds who presented themselves. Is it any wonder they turned out when they had an opportunity to hear such artists—people whose devotion to religious worship is exemplified Sunday by Sunday by their attendance at church and their services in the choir of this city? My

DISTRESSING KIDNEY TROUBLE

Terrible affliction quickly relieved
by "Fruit-a-tives".

"Eight years ago I was laid up with inflammatory rheumatism, scarcely able to move hand or foot. There was kidney trouble, miserable indigestion and liver difficulties. As soon as I began to use 'Fruit-a-tives', I could see an improvement. I was relieved of my Constipation and Liver trouble, and have been 100% better of Rheumatism and Kidney Disease."
—Mrs. Albert Young, 39 N. Aspland St., Worcester, Mass.

"Fruit-a-tives" combine the concentrated essence of luscious fruits with valuable tonics. They restore the kidneys and liver to normal action, increase the flow of gastric juices, and make the digestion complete and natural again. See and 50c at all dealers.

own view is that there was ten times the uplift in that concert there is in the average Sunday sermon. To see that immense audience spellbound by the lovely music provided was in itself a revelation. The hall was freely donated by the management, the artists of the highest calibre, and the few incidental expenses were met by the members of the Lodge. The orphans got the full receipts. Surely the Evangelical Alliance would be better employed in commending, rather than condemning such a work.

Sincerely yours,
JOHN BURGOGYNE,
Secretary, Saint John Lodge, B.P.O.E.

Husband Says Wife Eats Too Much

At first she ate hardly anything because she had stomach trouble. After her husband, F. M. Noble, bought her a box of Adierka, her appetite became so good that Mr. Noble, in a joking way, says it keeps him humping to buy food.

Many people keep the OUTSIDE body clean but let their INSIDE body stay full of gas and poisons. Give the inside a REAL cleansing with the mixture of buckthorn bark, glycerine, etc., (known as Adierka) her appetite became so good that Mr. Noble, in a joking way, says it keeps him humping to buy food.

Whenever you eat too much heavy food, let Adierka REMOVE the undigested surplus and leave you feeling light and quick action. Sold by leading druggists everywhere.

City Policeman Is Thrice Bereaved

Sympathy is being extended to three deaths that have occurred in his family within the last 10 days. His nephew recently lost his life while trying to save

the life of a fellow seaman who was washed from the schooner J. O. Webster during a storm off the coast of Massachusetts. Following this Constable Hatt's brother, Clarence, died and was buried in the family lot at Penfield on Saturday, last, and on Monday his mother died in St. Stephen.

SUNSHINE CLASS MEETING.

Mr. T. E. Owens was the hostess at a meeting of the Sunshine Class in the vestry of the Tabernacle church last evening. After a short business session, games and music were enjoyed and delicious refreshments were served. The meeting closed with prayer by Rev. A. L. Tedford.
