Of Interest

D WORLD'S CHAMP BEAUTY IN ALBANIA!

No Contest, but Hard Work and Outdoor Life Make Her So, Says Woman Author and Traveler

Mrs. G. Fred Fisher is taking a great interest in the prospective bridge that will be given in Pythian Castie Hall in the near future for the Free Kindergarten Association. Yesterday the names of the following people were sent to Mrs. Allen G. McAvity, the president, whom she submitted as patronesses of the affair and who subscribed through the efforts of Mrs. Fisher. Miss Louise Murray, Mrs. R. Downing Paterson, Mrs. Ernest Cunningham, Mrs. J. Charlton Berrie, Mrs. W. E. Golding, Mrs. Walter E. Foster, Mrs. C. M. Boswick, Mrs. A. Efnest Fleming, Mrs. A. P. Paterson, Mrs. Daniel Mullin, Mrs. Walter A. Harrison, Mrs. Frank L. Peters, Mrs. W. Shives Fisher, Mrs. George Noble, Mrs. Kenneth Golding, Mrs. Robert P. Cowan and Mrs. W. A. Henderson. Several others have signified their desire to be subscribers and a large list is still awaiting publication.

Mr. and Mrs. Allan G. McAvity leave today for New York. Mrs. Mc-Avity is going to see her brother and his wife, Mr. and Mrs. James Adams, prior to their sailing for Brazil, where they now reside. Mr. and Mrs. Adams have been in Toronto for some time visiting friends and are returning home, via New York.

Masters Thomas, James and George McAvity, sons of Mr. and Mrs. Allan G. McAvity, will leave this evening for their winter term at boarding school in St. Catharines, Ont. Their elder brother, Mr. John McAvity, left last evening to resume his studies at McCivil Listeres.

Mrs. Peniston Johnston and Mrs. Cortilandt Robinson presided at the tea hour and were very busy supplying the crowds who came in for the de-

Miss Marguerite S. E. Lee, formerly of St. John, now public health nurse in Halifax, pent Christmas with her sisters at a tea given under the auspices at a tea given under the auspices of the St. John Chapter of Mount St. Vincent's Alumnae, of Halifax, on Saturday afternoon, at the residence of her aunt, Miss A. Doherty, Dorchester street. There was a large at the members and their fredas. Miss Borden received in a loyely gown of gunpowder blue chiffed yelvet, and was assisted by Miss gown of gunpowder blue chiffed yelvet, and was assisted by Miss gown of gunpowder blue chiffers and between the same of the running board almost opices. STALE CAKE

Bigger Girth--Better Figure

Don't Worry About Your Waistline if You Keep Healthy and Feel Young, Advises Sculptress

Stale cake can often be used for really delicious desserts. Sponge cake especially need never be thrown away. Dark cakes seldom dry out as quickly as light cakes so are less of a problem.

If a light cake is really very stale it can be crumbed, soaked in milk until soft and then combined with egg and jelly to make a baked pudding.

Sponge cake can be used the same way or in a "Mock Tipsy Pudding"

Mock Tipsy Pudding

Stale cake can often be used for really delicious desserts. Sponge cake can often be used for salt, 1 teaspoon vanilla.

Combine sugar and water and bring to the boiling point. Melt chocolate in one-half cup of milk and add to sirup. Dissolve cornstarch in four tablespoons milk and stir into first mixture. Add salt and boil until smooth and of creamy consistency. Beat constantly with a dover beater. Remove from the fire and add vanilla.

Another sauce that is excellent with stale cake is the following orange sauce:

New York, val., .

manhood, physically, is coming back.

For proof there are the figures compiled by the department of physical education at Vassar College. They show that, in the last 36 years, girls entering college have shown a trend to ward the perfect figure so finely exemplified by the Venus de Mile.

Their average weight has increased from 123.8 pounds to 125.8 pounds, but the corseted, confined 22-inch waist-line, in the last 10 years, has developed into the free, mobile 25-inch girth of today. New York, Jan., 7. - Natural wo-

Mock Tipsy Pudding

Cut sponge cake in thin silices and spread with jam or preserves. Arrange in a deep dish and pour over two cups of thin boiled custard. Let stand several hours until the cake absorbs the custard and serve cold.

Crumb Pudding

Two cups cake crumbs, 1 egg, milk to make moist, jelly or jam, 2 tablespons sugar.

Add milk to crumbs and let stand until milk is absorbed. Add yolk of egg and beat well. Turn into a buttered baking dish and bake in a moderate oven until firm to the touch. Remove with the white of the egg beaten until stiff and dry with sugar. Return to the oven to brown the meringue.

Cake Pudding

Cut cake in pleces for serving and pour over hot chocolate sauge. Let stand until cool enough to serve.

**Stale cake is the following orange sauce:

Three-quarters cup, sugar, 1 cup boiling water, 1 tablespoon cornstarch, 4 tablespoons orange juice, grated rind 1 orange, 1 teaspoon lemon juice.

Mix cornstarch with sugar and add boiling water, slowly stirring constantly. Boil three minutes, add the grated rind and juice of orange, lemon juice and a few grains of salt apd cook two minutes longer.

An extremely simple way to use stale cake is to cut the cake in round shapes, large enough to hold a half a canned peach. Soften the cake with the juice from the can and place on an olled cookie sheet. Put half a peach on each piece of cake and mask the whole with meringue. Put in a moderate at even for eight minutes to brown the meringue.

Very dry cake can be crumbed and mixed with as much fruit juice as the crumbed with a sum of the proportion of Bessie Potter Vonnoh, noted sculptress of beautiful womanhood.

The St. John Bread That's Far Ahead

Before Butternut Bread is baked it has a head-start on all other Breads. The quality and number of good things in the "mix" have no equal.

The baking itself increases the difference. A fine flake that digests swiftly, that keeps fresher and cuts without crumbling—a golden brown oven result.

Four provinces consider Butternut Bread an economical luxury. Farther away it has to fetch a higher price than other Bread—here in St. John it costs no more whatever. That is why most people prefer.

IN ORPHANS' DRIVE

Canvassers Obtain Promises of Contributions That Total \$150,042

The City of St. John has gone over the top in the New Brunswick Protestant Orphanage building fund cam-paign to raise \$250,000 in the prevince. The sum of \$150,000 was set as the objective for the city, and to date the sum of \$150,042.13 has been pledged— \$42.13 above the quota. The canvas-sers are rejoicing in the fact that they have accomplished what they set out to do, and are now striving to make the grand total still more worthy of the city. They have not yet finished their collections in St. John. From outside the city contributions have been arriving in substantial

Provincial Contributions. morning, she positively refused to give her name, and after the wound was dressed she left the institution.

ALL FAT PEOPLE

SHOULD KNOW THIS

Fat people owe a debt of gratitude to the author of the now famous Marmola Prescription, and are still more indebted for the reduction of this harmless, effective obesity remedy to tablet form. Marmola Prescription Tablets can be obtained at all drug stores the world over at the reasonable price of one dollar for a box or you can secure them direct on receipt of price from the Marmola Co., 4612 Woodward Ave., Detroit, Mich. This now leaves no excuse for dieting or violent exercise for the reduction of the overfat body to normal.

There'd Overe Him.
