

HINTS ABOUT WORK—Spring is here and there is a variety of work to be done. Manure must be properly composted as well as saved. Turn and sort potatoes and other vegetables—and remove refuse matter. Ventilate and whitewash cellars. Clean and repair harnesses. Overlook the implements again, and see that they are ready for use. Implements, seeds and trees must be ready for the Spring.

Prospectus for 1874—Seventh Year.

The Aldine,

AN ILLUSTRATED MONTHLY JOURNAL, UNIVER-
SALLY ADMITTED TO BE THE HANDBOOK
PERIODICAL IN THE WORLD, A REPRESENTATIVE
AND CHAMPION OF
AMERICAN TASTE.

Not for Sale in Book or News Stores.

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. The possessor of a complete volume cannot but appreciate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there are the chromes besides!

ART DEPARTMENT, 1874.

The illustrations of THE ALDINE have won a world-wide reputation, and in the art centres of Europe it is an admitted fact that no work of the kind has ever attained the common perfection of a "steel plate," is rapidly yielding to a more educated and discriminating taste which recognizes the advantages of superior artistic quality with greater facility of production. The wood-cuts of THE ALDINE possess all the delicacy and elaborate finish of the most costly steel plate, while they afford a better rendering of the artist's original.

In addition to designs by the members of the National Academy, and other noted American artists, THE ALDINE will reproduce examples of the best foreign masters, selected with a view of the highest artistic success and greatest general interest. Thus the subscriber to THE ALDINE will, at a trifling cost, enjoy in his own home the pleasure and refining influences of true art.

The quarterly tinted plates for 1874 will be by Thos. Moran and J. D. Woodward.

The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractiveness any of its predecessors.

PREMIUM FOR 1874.

Every subscriber to THE ALDINE for the year 1874 will receive a pair of chromes. The original pictures were painted in oil for the publishers of THE ALDINE, by Thomas Moran, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in the White Mountains, New Hampshire; the other, the "Cotton River," Wyoming Territory. The difference in the nature of the scenes themselves is a pleasing contrast, and affords a good display of the artist's scope and coloring. The chromes are each worked from thirty distinct plates, and are in size (12x16) and appear as exact fac-similes of the originals. The presentation of a worthy example of America's greatest landscape painter to the subscribers of THE ALDINE is a bold but peculiarly happy idea, and its successful realization is attested by the following testimonial over the signature of Mr. Moran himself.

NEWARK, N. J., Sept. 20th, 1874.
Messrs. JAMES STICKNEY & CO.,
Gentlemen:—I am delighted with the results of your chromes. They are wonderful reproductions of the original pictures, and are of the highest quality. Very respectfully,
(Signed) THOS. MORAN.

TERMS.

For 50 CENTS EXTRA, the chromes will be sent mounted, varnished and prepaid by mail.

The ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; cash for subscription must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in cases where the certificate is given, bearing the seal-like signature of JAMES STICKNEY & CO.

Dr. J. Walker's California Vinegar Bitters

Bitters are a purely Vegetable preparation,
made chiefly from the native herbs found
on the lower ranges of the Sierra Nevada
mountains of California, the medicinal prop-
erties of which are extracted therefrom
without the use of Alcohol. The question
is almost daily asked, "What is the cause
of the unparalleled success of Walker's Bir-
ters?" Our answer is, that they remove
the cause of disease, and the patient recov-
ers his health. They are the great blood
purifier and a life-giving principle, a perfect
Renovator and Invigorator of the system.
Never before in the history of the world has
a medicine been compounded possessing
the remarkable qualities of Walker's Bitters
in healing the sick of every disease man is
well to. They are a gentle Purgative as
well as a Tonic, relieving Congestion or In-
flammation of the Liver and Visceral Organs,
in Bilious Diseases.

If men will enjoy good health, let
them use WALKER'S BITTERS as a medicine,
and avoid the use of alcoholic stimulants
in every form.

W. H. McDONALD & CO.,
Druggists and General Agents, San Francisco, California,
and for Washington and Charleston, N. Y. York.

Sold by all Druggists and Dealers.

No Person can take these Bitters
according to directions, and remain long
unwell, provided their bones are not de-
stroyed by mineral poison or other means,
and vital organs wasted beyond repair.

Grateful Thousands proclaim Walker's
Bitters the most wonderful invigorant that
ever sustained the sinking system.

Bilious, Remittent, and Intermit-
tent Fevers, which are so prevalent in the
valleys of our great rivers throughout the
United States, especially those of the Mis-
sissippi, Ohio, Missouri, Illinois, Tennessee,
Cumberland, Arkansas, Red, Colorado, Brazos,
Rio Grande, Pearl, Alabama, Mobile,
Savannah, Roanoke, James, and many others,
with their vast tributaries, throughout our
entire country during the summer and Au-
tumn, and remarkably so during seasons of
unusual heat and dryness, are invariably
accompanied by extensive derangement of
the stomach and liver, and other abdominal
viscera. In their treatment, a purgative,
exerting a powerful influence upon these
various organs, is essentially necessary.

There is no cathartic for the purpose equal
to Dr. J. Walker's Vinegar Bitters, as
they will speedily remove the dark-colored
viscid matter with which the bowels are
loaded, at the same time stimulating the
secretions of the liver, and generally restor-
ing the healthy functions of the digestive
organs.

Dyspepsia or Indigestion, Headache,
Pain in the Shoulders, Coughs, Tightness
of the Chest, Diarrhea, Sour Eructations of
the Stomach, Bad Taste in the Mouth, Bil-
ious Attacks, Palpitation of the Heart, In-
flammation of the Lungs, Pain in the region of
the Kidneys, and a hundred other painful
symptoms, are the offspring of Dyspepsia.

One bottle will prove a better guarantee of
its merit than a lengthy advertisement.

Scrofula, or King's Evil, White Swell-
ings, Ulcers, Erysipelas, Swelled Neck,
Gout, Scrofulous Inflammations, Indolent
Inflammations, Mercurial Affections, Old
Sores, Eruptions of the Skin, Scald Head,
etc., etc. In these, as in all other constitu-
tional Diseases, WALKER'S VINEGAR BITTERS
have shown their great curative powers in
the most obstinate and intractable cases.

For Inflammatory and Chronical
Rheumatism, Gout, Bilious, Remittent
and Intermitent Fevers, Diseases of the
Blood, Liver, Kidneys, and Bladder, these
Bitters have no equal. Such Diseases are
caused by Vitiated Blood.

Mechanical Diseases.—Persons en-
gaged in Painting and Minerals, such as
Plumbers, Type-setters, Gold-beaters, and
Miners, as they advance in life, are subject
to paralysis of the Bowels. To guard
against this, take a dose of WALKER'S
VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter,
Salt Rheum, Itch, Scald Head, Pimples,
Pustules, Boils, Carbuncles, Ringworms, Scald
Head, Sore Eyes, Erysipelas, Itch, Scurvy,
Discolorations of the Skin, Humors, and
Diseases of the Skin of whatever name or
nature, are literally dug up and carried out
of the system in a short time by the use of
these Bitters.

Pain, Tapes, and other Worms, lurk-
ing in the system of so many thousands, are
effectually destroyed and removed. No ap-
propriate medicine, no vermifuge, no cathar-
tics, will free the system from worms
like these Bitters.

For Female Complaints, in young or
old, married or single, at the dawn of wom-
anhood or the turn of life, these Tonic Bir-
ters display so decided an influence that
improvement is soon perceptible.

Jaundice.—In all cases of jaundice, rest
assured that your liver is not doing its work.
The only sensible treatment is to promote
the secretion of the bile and favor its re-
moval. For this purpose use Walker's Bir-
ters.

Cleanse the Vitiated Blood when-
ever you find its impurities bursting through
the skin in Pimples, Eruptions, or Sores,
and cleanse it when you find it obstructed and
sluggish in the veins; cleanse it when it is
sour; your feelings will tell you when. Keep
the blood pure, and the health of the system
will follow.
