OF UNIVARSAL HISTORY AND USEFUL AND

Dr. J. Walker's California Vinegar Bitte's are a purely Vegetable preparation, made chiefly from the native herbs found on the lower rances of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegan Britzens?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegar Britzens in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Infammation of the Liver and Visceral Organs, in Bilious Diseases. Dr. J. Walker's California Vinegar
