Good Races at the Willows-Winners in Different Events.

(From Friday's Daily.) Bellingham Day at the races was also second ladies' day. The Chippewa brought 691, most of whom. judging by the attendance, went to the races. The local feminine population attended in good numbers, so that the grand stand was crowded. The band discoursed sweet music and the display of millinery was exquisite.

Galene Gale cut 1-5th off the four and a half furlong record formerly held by Marwood in 56, carrying 113 nounds. Galene Gale carried 98 yesterday. On Parole cut 1-5 off Laura Clay's record for the five furlongs, setting up 1:01 3-5 as the new time.

Six favorites were beaten yesterday. Barney Mason, 3 to 2, in the first race out at the first turn and only managed to get into third position. Otranto failed to come through the way he had been bet in the second and was the second favorite to land third money. My Pal, 3 to 2, was beaten in the third by Dave Weber, Josie S., Sainesaw and Dr. White. Weber was second favorite, just a point behind. Mill Song was made a favorite in the Parole and Philistina. De Grammont, 4 to 5, no place, no show, went down ed along temperance lines, and in the fifth, beaten by Servicence, and strong appeal was being made for when Blameless ran wide in the last more thorough work. race the sixth favorite of the day went down. Jim Maliady won the race.

It was an ideal day for selecting outsiders, and favorite backers soon shifted their operations from the high woman suffrage periodicals. Women

Cesarilass, Dave Weber, On Parole and Servicence were all winners all the way around. These horses got the lead in the first furlong and all ran the lead in the first furlong and all ran ahead the full distance. Galene Gale was fit for the race and followed the smart Irma Lee till the straight, when smart Irma Lee till the straight, when the latter failed to stand the drive and finished second.
