DISORDERED LIVER.

"Prospect House, Bridport, Dorset, England.

December 22, 1879.

"My dear Sir, — I have for years suffered more or less from, to me, an unknown cause, but which from diagnosis, I imagined to arise from disordered liver. Digestion was often extremely difficult, and consequently my appetite was much affected. Various medicines, so called, I have repeatedly tried, but failed to derive anything beyond a temporary benefit. I was induced by your agent to give the Curative Syrup a trial, and after taking the contents of one bottle, I invested in another, which is yet scarcely finished. I am more than happy to be able to testify to the curative properties of the compound. That languid feeling which formerly unfitted me for business I have not yet since experienced, and, indeed, feel altogether a different being,

"I am, Sir, yours very faithfully,

"A. J. White, Esq.

"RICHARD EBDON, Journalist."
