When the Hair Falls

Stop it! And why not? Falling hair is a disease, a regular disease; and Ayer's Hair Vigor, as made from our new improved formula, quickly and completely destroys that disease. The hair stops falling out, grows more rapidly, and all dandruff disappears.

Does not change the color of the hair.

Formula with each bottle. Show it to your doctor. Ask him about it. Don't do so he says.

Ayer's

The little book in each package gives the formula of our new Hair Vigor, tells why each ingredient is used, and explains many other interesting things. After reading you will know why this new hair preparation does its work so well.

Made by the J. C. Ayer Co., Lowell, Mass.

Father Morrissey's Remedies Now On Sale

Arrangements Completed to Supply His Famous Prescriptions to All Who Need Them

It was a severe loss to his Parish and his friends when the beloved priest passed away last spring, but the loss would have been even heavier to the world had his remedies perished with him. Fortunately Father Morrissey had reduced his best prescriptions to formulae. These were known only to the priest himself and to the druggists who put them up. At his death he bequeathed them to the Sisters of the Holy Order at Chatham, and from them the identical remedies are now being prepared—by the same druggists—and distributed throughout the Maritime Provinces. The remedies are still known by their old names—"Father Morrissey's No. 7," for Rheumatism and the Kidney; "No. 10," a splendid Cough mixture and "Cough No. 25" for Cough and "Father Morrissey's Liniment." They can be had from any store where medicines are sold, or from the Father Morrissey Medicine Co., Ltd., Chatham, N.B.

Brown who has been quite ill with grippe, is somewhat improved of late. Preventives, the new Candy Cold Cure Tablets, are said by druggists to have four special specific advantages over all other remedies for a cold. First,—they contain no Quinine, nothing harsh or sickening. Second,—they give almost instant relief. Third,—pleasant to the taste, like candy. Fourth,—A large box—48 Preventives—at 25 cents. Also fine for feverish children. Sold by all dealers.
