it John to Inder a car. — Not less than \$7,000 to \$5,000 worth f animon and diservice, chiefly, the latt vere caught on the Gaspersaux, Kinge, S. the season, and this is the result of opening the dam some few years ago with the Rogers' patent f shway. March 31st,

The feet, and on Court 98 feet. It is to cont \$422,100.
— The London, Eng., Daily News says that communications between the Eng. Islah and American Governments have resulted in an understanding which will saver any collision in 1behring Sea dusing the sea fishing season.
— It is estimated at the treasury department that there has been a decrease of about \$15,000,000 in the United States public debt since June 1. This will make the dath reduction for the fiscal year ending June 30, \$88,182,200.
— The number of failures in the United States public amounting \$0,\$52,\$53, or an average of \$11,700 per failure. During the corresponding is monthe of last year the failures were \$1,83, with liabilities of \$0,181,14,59.
— As the result of the ultimatum of Common Common Common Commutation and the set of \$12,14,59. - For the rogers' patent rabway. - For the year ending, March 31st, Canada exported 85,000,000 lbs, of cheese, auted at 85,000,00. Canada's cheese exports exceeds that of the United States by 4,000,000 lbs. There's no market for uur cheese among the "60,000,000" to the outh.

ies of \$68,114,159. — As the result of the ultimatum of the Reading Railway Coal and Iron Com-pany that the severance of all connec-tion with labor organizations is to be the first qualification for obtaining employ-ment from them, sixty thousand laborers have withdrawn from the Knights of La-bor within a year. th. — The Dominion Government has been ified of the discovery of an anthracic I mine at Camore, N. W. T. Its is were traced four miles and are over e feet in width. President VanHorne, he Canadian Pacific Railway, says the is excellent.

Curren.-At Brookfield, June 27, of whooping cough, Holin W., beloved child of David and Barbara Carter, aged three months and nine days. H.WWKK-At Brookfield, on the 2nd inst, of poeumonia, in the 53rd year of his age, Leonard Havke, miner, formerly of Cornwall, England. He leaves a sor-rowing wife and son. Waskuwors.-At Seal Harbor, Guys-bore Co., N. S., July 1, Henry Warring-ton, aged 45/wears. He leaves a wife and eight children to mourn their loss. May God sanetify the bereavement to all who mourn for him. Causek-william Carder, of Brook-field, Queens Co., N. S., was knocked field, Queens Co., N. S., was knocked field across a rail, breaking his back, no July 5th, and died about 5 o'clock, p. m., on July 6th, leaving a wife and four children, the eldest only thirteen years of age. DELOSU.-At Kempt, June 30, after a a secondent. - Advices received by the fisheries de-tment are to the effect that the mac-el eatch along the Canadian seaboard growing a failure this season. The this a stributed to the extensive of purse seines. bor within \* year. — Chicago absorbed a number of adja-cent towns recently, adding some 200,000 to its population, bringing the total, as is claimed, up to 1,100,000. The territory annexed will give Chicago a total area of 174 square miles, making the largest city in area in the United States. All of the suburban towns annexed are built up solidly for miles, radialing from the old city limits.

of purse series:  $-\Lambda$  gigantic new oil company, with a tial of millions of dollars, is being anized in Cincinnati, or Louisville, Ky. the Southern Oil and Pipe Line Co. preparing to consolidate. The aggre-e wealth of the stockholders of the concerns is put at \$50,000,000. city limits. The Railway Age states that the amounts of mileage and capital involved in tailways that have gone into the hands of receivers during the past six months in the United States exceed the aggre-generation any statistic exceed the aggre-generation of the state of the states of the states where the states is the state of the states of 1850. There were the dist would thus isomerphene with a total length of 2,660 miles and an apparent investment of \$125,670,090. The national it is so the vessels which yed at Halfax during the fiscal year, ed 30th June last were as follows: British; 156 American; 62 Norweg; 5 Danish; 15 French; 8 German; 1 tuguese; 1: Austrian; 1 Brazilian; 2 sian and 1 Spanish. and is gone on provard. May the Lord sustain the sorrowing wife and family. RANUALL—Bro. James D. Randall, for many years a member of the Upper Ayles-ford Baptist church, departed this life on March 2nd, aged 75 years and 10 months. He was a good man, and though not as active publicly as many, yet hi-knowledge of God's Word showed that he had loved and studied it. He died trusting colj in the merits of Jeaus. He was a brother of the late Kev. Charles Randall of Weymouth, N. S. "RAND—On May 3rd, while on a visit to the home of her sister, Mrs. Hill, of St. Stephen, N. B., Olivia, wife of Lean-der Rand, Ray, M. P. yo of canning, N. S., aged 62 years. Her loss is much felt, she was cree as friend in need to the ser-vants of the Lord; but while we mourn be doparture, heaven is made dearer to us by the addition of one more unselfish spirit to the sainted throng. McLaron-At her residence, Tracadie, Muisoniko A. N. S.
