BIG GAME TOMORROW.

Toronto will be another great day on the Marathon grounds not only for the fans but for the children. The management have decided to give the little girls and boys in the city a free chance to be present at the game and the Artillery Band has been engaged to play during the afternoon. The game will be between the Marathons and the Fredericton team and a hard game is expected. Both teams are putting up a fine article of baseball and as Fredericton has been recently strengthened by a pitcher the boys from the Capital will try hard to defeat the Greeks.

MARATHONS TRIM ST. CROIX;
BANGOR WAS BADLY BEATEN

MARATHONS, 7, ST. CROIX, 3.

The Marathons on Saturday afternoon had little difficulty in pouncing on St. Croix pitcher, for three hits and winning the game by a score of seven to three. Charles was the pitcher for the Greeks and upheld his reputation by pitching an excellent game. In fact his win should have been a shut out, but accidents will happen and one of these occurred when Ramsay allowed a ball to go through him at short and allowed in two runs. Ramsay since being taken on the Marathon lineup has played the second sack in good shape and when Pinkerton returned to the game the little St. John player was placed out in right field where he also played a star game. On Saturday Waterhouse was put out in right and Ramsey was placed in short and although he made one costly error he made a number of beautiful plays. Charles went along from the start having the St. Croix at his mercy only three men reaching as far as first base up till the sixth when with two down, two single's and a pass ball placed McPherson on third and Tetreault on second. Parker to bat hit a nice one to Ramsey which he missed and the two base runners crossed the plate. Parker stole second and Pease drove home the next batter and he hit out to pitcher. There was nothing more doing for St. Croix in the game, they going out in order the next three innings.

In the first inning Pinkerton made a two base hit to centre field and scored on Black's hit to left field. In the third an error three singles a two base hit and a wild pitch gave the Greeks four runs. In the fourth inning three singles, a sacrifice hit and a sacrifice fly netted the Greeks two more runs. This finished their run getting although they managed to get men as far as third base on a couple of occasions. The game was delayed for five minutes in the sixth inning while McPherson, the St. Croix shortstop, was being assisted from the field. McPherson was suffering from having the muscles in his breast strained. After a rest he attempted to play again and once more fell to the ground and had to be assisted to the bench and his place in the field was taken by Howard.

Following is the box score:

Fredericton, 15; Bangor, 2.

Special to The Standard.
Bangor, Me., July 12.—Fredericton defeated Bangor again today 15 to 2. The home team scored its first run in the first inning. After a triple, followed by a double, a single, a hit for four sacks by Conley and two singles, he was taken out after the side had been retired, while the visitors had pushed across four runs. Pinkney, who was sent in did not do much better. Although he was handicapped by some poor judgment on the part of the umpire.

The game throughout was a slug-fest on the part of Ganley and his Pits, and Pinkney was touched up for thirteen hits, three being home runs by Conley, Stone and Dugan. In the fifth four singles, a base on balls and a triple by Ganley gave the Doves five more runs. Woodcock, a new recruit, was in the box for Fredericton. He shapes up well and Ganley has in him a good man who should do some good work. The home team scored its first run in the fifth. They managed to bunch three singles and push one run across. In the sixth one more was tallied, but with an error letting it in. After the third Fredericton had it easy and just jorged along, content with the big lead it had. In the seventh, out of five times up, hit for two singles, a two batter and a home run.
