SHAMROCKS TRIMMED MAPLES BY 6-1 SCORE

Good Fast Game in Special Series on St. Peter's Grounds Last Evening.

Judging by the way the Shamrocks handed the Maples their defeat last night on St. Peter's grounds, the Thistles would have to dig up some players to defeat them in any series. O'Toole added to the strength of the Shamrocks far beyond that expected by the fans who put in appearance. Had the Shamrocks signed O'Toole at the beginning of the season they would have had a far better chance of winning the league.

Dever had some of the big guns from the Boston on his line-up, among which was the leading batter in the league, Raymond Hanson.

The other rascals on Dever's bench were Harrington and Mahoney. Although these picked players increased the strength of Dever's gang, the team was not able to stand up to the herculean hitting of the samsonian Shamrocks.

The winners had a clean clinch from the call play ball to the order gather up the bats. The first inning gave the victors four runs, to which were added two more in the fifth. The orphan run for the delinquents was carried home by McMurray, their regular third sacker.

Once again the famous Haggerty, who won his baseball spurs at the beginning of the season, planted the sphere far enough away from home to allow him a through fare. Right on top of the homer John slaps another for a two-bagger. Just the time a man begins to warm up the season closes.

Billott was in the box for the Shamrocks and allowed only a few hits, which were not at all hazardous, allowing only one run.

Probably the feature of the game was the consistent hitting of the victors. It was a pleasure to see the way the Shamrocks stood up to the plate. Each man firmly planted, meeting Dever's ins and outs, head on. It was enough to take the heart out of any pitcher, but the veteran ball artist stood their onslaughts unflinchingly.

The game last night between the Maples and Shamrocks demonstrates clearly the ability of the Shamrock team when they have a good catcher. The fans are clamoring for a clash between the Thistles and Shamrocks and there is not a shadow of doubt, but what such a game would keep the fans on their feet. Go it boys, settle the question of a catcher, and give the baseball fans something to bet on. The season is rapidly drawing to a close, and should the season end without a game between the rivals nobody will feel satisfied.

The box score last night was:

Will you play them with O'Toole catching?

Whitely said they had the bacon in the refrigerator and intend to keep it there. Well, the door might be opened with "Atoole."

Shake up another bunch Dubby and try them again.
