New York Yacht Club arrived in the harbor yesterday afternoon. This is one of the finest yachts of the New York squadron, and is very fast. The owner, J. F. Toubat, Esq., is on a cruise with few friends and intends crossing the Bay, probably visiting Halifax, and afterward crossing the Atlantic. The yacht is very handsomely fitted up and there is every arrangement on board for the comfort and convenience of passengers and crew. There are eighteen men in the crew, all told, and her tonnage is 118 tons, official measurement, but her carpenter measurement is much more. The vessel will be here for some days.

County Court. The case of Peters vs. Parker went to the jury yesterday afternoon. After an absence of two hours the jury returned and said they could not agree. They were accordingly discharged.

The grand jury returned a true bil against James Armstrong, indicted for shooting James Sheridan. The prisone pleaded not guilty and was remanded. Michael Nugent vs. Dennis Driscol was then taken up. I. Allen Jack, Esq. appeared for the plaintiff, and C. N. Skinner, Esq., for defendant. After the plaintiff's evidence Mr. Skinner moved for a non-suit and Mr. Jack replied. The Judge refused to grant the non-suit, Driscoll gave his testimony this morning, when Mr. Skinner again moved for a nonsuit, this time with success, as the Judge

decided to grant it. Alex. Christie et al vs. Geo. Bishop et a was the next case. J. R. Armstrong for plaintiff. This case was put off on account of the absence of Bishop, a material

A complicated case of abusive language occupied the attention of the court this morning. The litigants were two women from Cedar Point, across the river from Indiantown. The charge was proved and Mrs. Garey had to pay \$4 and cost.

Miss Cosgrove was then accused with
using abuse to Mrs. Gorey. She had a
witness to prove that she had not commenced the scolding match, though she
used very strong language. The Magistrate dismissed the charge against her,
compelling her to pay \$2.50 costs, as he
told her that she did not come to court

FOR PURIFYING THE BLOOD, nothing has ever been offered which can ecompare with this Extract of Sarsaparilla. It is found a great promoter of health, when taken in the spring, to expel the humors that rankle in the system at this season of the year. Many complaints have their origin in the spring, and in the causes above mentioned, for which no better remedy has ever been devised. By its use multiludes can spare themselves from the endurance of foul aruptions and ulcerous sores, through which the system strives to rid itself of corruptions, if not assisted to do this through the natural channels of rhe body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities burseing through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it foul, and your feelings will tell you when. Even where no particular disorder is felt, people en joy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Prepared by Practical and Analytical Chemists,
