

ATTENTION READERS

Due to the current economic situation and to ensure the continued publication of your magazine, yearly subscriptions to the "RCMP Quarterly" will have to be increased from the current price of \$5.00. We regret this imposition; however, it is the first price increase in over 15 years.

Effective April 1, 1996, "Quarterly" subscriptions will be \$10.00 per year or \$2.50 per issue (Canadian subscribers add G.S.T.). Pre-paid subscriptions will now be limited to two years.
