VERY woman has some little plan Ever wonan has been of things she would like to buyif she had the money.

It should be a woman's privilege to handle the housekeeping money. She can then plan for the things she needs, and save for them.

If you are a wise housewife you will save for these things. Loose cash in your purse soon goes-it tempts you to spend. Keep your money where it will be safe, yet available whenever you want it.

In Northern Oklahoma there is an oil well that is probably unique. It produces not crude oil but high-test gasoline. The well is four thousand terwards at least. eet deep. Its flow is fifteen hundred gallons a day of gasoline that tests seventy gravity. Just what conditions underground could have brought about the matural refining is a puzzle to geologists. The owners of the well sell their product at ten cents a gallon just as it comes from the ground.
