

Men's "VICTOR" Boot

==== Style V.P. \$4.00 ====

If you ordered a pair of boots like the Victor V.P. from the New York Bootmaker who originated the style, he would charge you from \$5.00 to \$6.00 and then not give you footwear better in material detail than this VICTOR V.P. MODEL. The toe has a half-narrow shape and widens gracefully on the outside. The sole is medium weight with a custom extension. A Flexible and Brilliant Patent Colt, selected for its wearing qualities, is used in the vamp, dull matt calf Blucher top with rounded corners. Finest quality of duck linings, inside top stays, back-stays, and facings. Solid oak-bark-tanned sole leather and heel. C, D and E widths, all sizes from 5 to 11 **\$4.00**
