

**Respectable fourth**

# Two track honours for York

York University took a respectable fourth place in the OUAA indoor track and field meet last weekend at the CNE. The meet was hosted by York, and featured eleven competing teams.

The University of Toronto team won the meet with 146 points, followed by Western and Queen's with 90 and 79 points respectively. York finished with 40 points.

York athletes attained two individual first place honours. Ken Hamilton won the men's 5000-metre

competition in a time of 14 minutes, 21 seconds, his personal best according to coach Dave Smith.

York's Karen Hladki won the women's high jump with a 1.65 metre performance. Hladki also finished second in the women's 50-metre hurdles, with a time of eight seconds, eight-tenths of a second behind Liz Damman of Waterloo.

**THE RUN**

Dave Milgram finished in a tie for first in the men's 50-metres, with a

time of 5.8 seconds. Larry Reynolds finished second, less than a second behind the winner, in the men's 1000 metre event. Ross Gnyph finished third in the men's 300 metres with a time of 36.2 seconds, less than half a second behind the winner.

Shirley Schwab finished second in the women's long jump with a 4.94 metre leap, one millimetre less than the winner's performance.

In the men's distance medley relay, York finished second with a time of 10 minutes, 13.6 seconds, two and a half seconds behind the U of T.

"I was very happy with the way we finished," said Smith. "This is only the second year of the track team at York, but the future looks good. We'll be heard from in the future."

## York sweeps doubles play

Saturday at the OUAA table tennis championships at Ryerson, York tied for third with the University of Guelph in a field of six. Ryerson finished first with Queen's placing second.

York's squad consisted of four students: Karma Maharaj, Tony Valuch, Ken Engmann and Harry Posner.

Kama Maharaj and Tony Valuch breezed through to win the doubles (overall), not dropping a set. The team is mainly composed of first-year students and shows great promise for future tournaments.
