**MISSISSAUGA HOMEOWNERS**

Do you qualify to participate in the ONTARIO HOME RENEWAL PROGRAM?

if you are a modest income homeowner living in the City of Mississauga and would like to upgrade your home by repaying any substandard conditions, you may be eligible to qualify for assistance through participation in the Ontario Home Renewal Program (OHRP).

The Province of Ontario through the Ministry of Housing will shortly be making available \$400,000.00 for the program, to the City of Mississauga. The prime objective of this new program is to aid the homeowner in obtaining low interest and partially forgivable loans that may be applied to the renovations in improving their home. Funds will be made available to repair faulty structural and sanitary conditions and to upgrade plumbing, heating and electrical systems in order that home may be brought up to standards as required by the municipality.

**ASSISTANCE AVAILABLE**

(i) **LOW INTEREST RATES**  
OHRP, through the City of Mississauga will provide loans up to \$7,500.00 for improving your home. The interest rates, ranging from 0 to 8%, as well as the repayment rate will be dependant on your family's income and size.

(ii) **FORGIVENESS**

Most important is that a varying portion of the OHRP assistance allocated to you will be considered as non-refundable. Your income, family size and the length of time you continue living in your home will help determine how much of your loan is repayable.

**QUALIFICATIONS**

To qualify for the OHRP assistance you must be a homeowner within the City of Mississauga whose "adjusted family income" does not exceed \$12,500.00 per annum.

**"ADJUSTED FAMILY INCOME"**

The "Adjusted Family Income" means the total gross annual income of the principal wage-earner of the family as well as his or her spouse after deducting the following:—

- the travelling expenses relating to the earning of such income.
- the annual gross income of the spouse, or the sum of \$1,000 whichever is less.
- the sum of \$300 for each dependent child living in the dwelling unit, and
- where only one parent resides in the dwelling unit the sum of \$1,000 less the amount of any financial assistance for maintenance received from any Government agency or body.

If YOU are interested in this program and feel that you may qualify for the assistance, please fill in the details, detach and mail the provided form today.
