June 28, 1935.

Memorandum:

Doctor McGill.

With reference to the contents of the letter from the Clerk of Municipal Roads of the Province of Ontario, dated the 25th instant, hereunder, I am pleased to recommend for the approval of the Honourable the Superintendent General of Indian Affairs the agreement in question, as requested in the above mentioned communication.

This agreement confirms what has been the policy of the Provincial Department of Highways in recent years with regard to the subsidy of 50% allowed by them to this Department on road work performed on roads forming connecting links in County road systems in the Province of Ontario.

Departmental Engineer.
