Sir -

360234

I herewith enclose a resolution from the Council of the Cheyennes of the Thames, granting to Myles Mc Dougald a permit to sell one acre of gravel along the river Bank on Lot 1 Range 6 Caradoc Reserve.

This land is located to Daniel Albert and is under lease numbered 248 to James Cobban.

Could Albert grant Mc Dougald the right to remove this gravel without consulting the lessee?

Mr. Cobban is at present in the North West and will not be back for some weeks yet.

I also enclose a Bill of sale from Albert to Mc Dougald.

Your obedient servant  
S. Sutherland
