Dear Mr Purcell, I thank
 you very much for
 your very kind remittance
 of one thousand
 dollars but still more
 for the kind and flattering
 terms in which your
 letter enclosing it refers
 to the long exertions
 and arduous labors
 of my dear husband
 in the service of his
 country. The warm
 remembrance you have
 always given him both
 in Nova Scotia when
 he first made you
 a acquaintance and since
 your return to Ontario
 will never be forgotten
