The Rt. Hon. Arthur Meighen

Dear Senator Meighen:

Thank you very much for your letter of June 30th. I am glad you liked "A Texan in England".

If you have not already sent in your reservation to the Newcomen luncheon to Mr. Coleman on July 11th, will you do me the honor of being my personal guest on that occasion. I shall appreciate your letting me know by return mail because it will be necessary for me to get in the reservation for you some time this week.

Mrs. Hunt and I are delighted that you can have dinner with us on Tuesday, July 10th. We shall have a few friends in that evening, including the very charming and very capable British Consul General, Mr. Francis Evans, and his wife.

With kindest regards, I am

Faithfully yours,

Lawrence Hunt.
