Ottawa, 10th May, 1906.

Sir,-

I beg to call your attention to voucher No. 943 in payment for beef, in which it is noted that the beef issued to carpenters and plasterer is charged to Vote 11, but there is nothing further to show whether these men are working upon the farmers' houses or upon the addition to the hospital. If the latter, the expense should be charged to Vote 5.

An early reply is requested.

Your obedient servant,

Secretary.
