

- Pole lines, definition of, 27  
 Poles, cedar, specifications for, 215  
   dimensions of, 47  
   lasting qualities of various species of, 47  
   number per carload, 221  
   preservative treatment of, 47  
   seasoning of, 47  
   self-supporting, 57  
   setting of, 52  
   shortened, re-setting of, 145  
   weights of various lengths and tops, 221.  
 Pole-steps, 41, 52  
 Preservative treatment of poles, 47  
 Prevention of forest fires, 3, 4  
 Private telephone lines, 33  
 Protection standards in relation to telephone lines, 35  
 Protectors, in fully exposed stations, 89  
   in partially exposed stations, 89  
   location of, 89  
   repair of, 147  
   telephone, types of, 38  
   telephone, types of, 39  
 Provisions, list of, 128  
 Public roads, use of for telephone lines, 44  
 Punctuation, International Morse, 176  
 Quartermaster, 11, 12, 18  
 Railways, crossing of, 78  
 Rake, in pole-setting, 50, 52  
 Receiver, head, 38  
   telephone, 121, 131, 152  
   telephone, repairs of, 146, 149  
 Reconnaissance in fire protection, 3, 11  
 Reel, emergency wire, 38, 75  
   pay-out, 38, 60  
 Relay stations, 26  
 Repeating coils, 40  
 Reserves, in forest protection forces, 9  
 Resistance, definition of, 119  
 Right of way, clearing of, 44  
   securing of, 42  
 Ringers, telephone, 121, 128  
   telephone, Ohm resistance of, 23, 129, 139  
   telephone, repairs of, 148, 150, 152  
 Roads, crossing of, 78  
 Rods, ground, 41, 91  
   ground, inspection of, 147  
   ground, portable, 116  
   lightning, 39, 52  
 Roof ridge of poles, position of, 53  
 Rules, operating, 140  
 Sag allowance, 29, 62, 70  
   distribution of, on pole lines, 63  
 Screw-drivers, 40  
 Scouts and scouting in forest protection, 3, 18, 19  
 Semaphore, fixed, 191  
   signalling with flags, 188, 191  
   signalling with fixed, 191  
   signals, 14  
 Series system of telephone connection, 127  
 Shovels, types of, 38  
 Signalling, buzzer or vibratory, 113  
 Signals, audible, 14, 15, 22  
   chronosemic, 14  
   code, 14  
   colour, 15  
   danger, 22, 195  
   electro-telegraphic, 15  
   flash, 15  
   shape, 15  
   shot, 196  
   visual, 14  
   whistle, 196  
 Smoke, effect on range of heliograph, 175  
   "Smoke chaser," 7, 9, 18, 19, 25  
 Solder, 40  
 Soldering copper, 40  
   methods and materials, 219  
 Spacing of poles, 59  
 Splicing clamps, 37  
   wire, 65  
 Spools, emergency wire, 74, 75, 76  
   emergency wire, specification for, 217  
 Spoons, digging, 38  
 Standards, D. F. B. construction, 60  
 Staples, Blake insulated, 40  
 Static electricity, 156  
 Stations, heliograph, selection of, 173  
   signalling, 173, 188  
 Strand, galvanized steel, 41, 71  
 Strategy, fire suppression, 3, 12  
 Stubs, as pole reinforcements, 143  
 Submarine telephone lines, 80  
 Supervision, fire-fighting, 3, 8  
 Supervisor, forest, 18, 19, 23, 34, 35  
 Supplies, pole-line, 197  
   station, 197  
   tree-line, 197  
 Supports, in forest protection forces, 9  
 Suppression, fire, 3, 7  
   forces, maintenance and direction of, 9  
   forces, mobilization of, 9  
   staff officers, 10  
 Survey of route for telephone line, 42  
 Surveys, forest, use of signals on, 187  
 Switchboards, 101, 135  
 Switches, 121, 135, 142  
   repair of, 147  
 Switch-hook, 121, 130  
   inspection of, 147  
 Tactics, fire suppression, 12  
 Tamping around poles, 50, 54  
 Tape, electricians', 49  
 Telegraph, 20  
   lines, 32, 78  
   simultaneous operation with telephone, 166  
   wireless, 14, 16  
 Telephone, desk set, 38  
   instruments, types of, 38  
   lookout-station sets, 94  
   magneto, description of, 117  
   portable, 25, 30, 107, 108  
   portable, Adams, 39, 108, 110, 130, 132, 152  
   portable, Forest Service Special, 39, 108, 114, 130, 152  
   simultaneous operation with telegraph, 166  
   wall set, 38, 85  
   wireless, 14, 16  
 Tension, definition of, 120  
 Tentage for telephone crew, 198  
 Test sets, 107  
   stations, 26, 142  
 Ties, regular, 63  
   "figure 8," 63, 64, 73, 78  
 Timber conditions, influence on telephone construction of, 30  
 Tools, emergency line, 74, 198  
   linemen's, 37, 46  
   line-stringers, 38, 46, 197  
   pole-setters, 38, 46, 197  
 Torch, soldering, 40  
 Tree lines contrasted with pole lines, 28  
   cost of, 28, 201  
   definition of, 27  
   development of methods, 29  
 Transmitter, telephone, 121, 123  
   telephone, inspection of, 147  
   White (or solid back), 123
