

Instructions to Pupil.—Copy the model once; then write an order for Fifty Dollars, dated to-day at your own city, or post office, drawn by Jno. Kinnear on P. Seuple, in favor of B. Howell or order.

Observation.—Which is the better expression "or order" or "or bearer"? Why? By writing "only" after the name of the payee, the order is made non-negotiable. (See Article No. 21 on cover.)
