11

EDITED BY HELEN HALL.

ful, the unfortunate starile Antonectic first saw the light; on this day, also in 1767 was born the Duke of Kent, father of our late beloved Queen Victoria. Alexander Burnes was on this day, in the year 1841, murdered foully at Cabul. On this day (1800) the celebrated Richard Hooker the rings. figures and it will prove of great published his last. But above the ringing of penitential-bells, the floral decking of charnel-houses, the birth of queens and princes, the departure of statesmen and ecclesiastics vibove all other events for which I can learn the day is famous, is it famous for that on this day, in the year 1512, the great seaffolds were removed from beneath the ceiling of the Sistine Chapel, and there, before the delighfed Pope most famous clergymen, literary great scaffolds were removed from be-neath the ceiling of the Sistine Chapel, and there, before the delighted Pope and all his College of Cardinals, before priem and acolyte and people, a mighty concourse, one of the grandest works that it has been given to man to create -the ceiling of the Sistine Chapel-was revealed first, in all its splendour of conception, its prodigality of detail, its freshness of execution.

ts freshness of execution.

At thirty-nine years of age Michael Angelo, going along the streets of Rome, with head thrown backward and eyes resting upon the sky, because things on a straight line in front cause things on a straight line in front the bina he could not distinguish, because things of beauty. Then there are the materials with cambroidered selvedge borders, the soft flannels and cashneres sprinkled with flannels and cashneres sprinkled with and eyes resting upon the sky, be-cause things on a straight line in front of him he could not distinguish, be-cause eye and muscle and hand re-fuse to act normally, exclaims; "My life is there on the ceiling of the Chapel of Sextus!"

sleeping often without changing his clothes. Four years of exact calcula-tion, of imaginative flight, of bodily agony that he achieved, and in the end

preparation for the coming of Christ. Three hundred and fifty figures are employed to carry out the artist's scheme, all larger than life, and some fifteen feet in length. In nine central spaces are recorded the thrilling events in the Old Testament—history of man, his creation, his fall, his great live. On either side, in sublime man, the contract of the shape of the skirt, it fits even more smoothly than ever in the back the tendency to plait ing and shirring uot being so decided as a year ago. The princess gown also being more frequently seen, but chiefly appearing as a tea gown. sins. On either side, in sublime ma-jesty, are the prophets, alternating with the heathen prophetesses who foretold the coming of a redeeming Christ. Kugler, a great critic, says of the work:—"The ceiling of the Sistine Chapel contains the most perfect ong and active life. Here his great

and its highest purity."

The man scarificed himself that the nortal part of him might triumph, t his great soul might linger yet earth, uplifting and inspiring other souls on their journey heaven-ward, when the body is laid by as a garment and the eternal festival of souls begins."

J. H. Stoddard, in the "Bonnie Briar Bush," at the Theatre Republic, has easily carried off the hotly contested.

# FROM GASPE

Comes an Interesting Tale of How Ea liv and Simply a Plan May Leave His Troubles Behind Him.

The sons of Gaspe (are a hardy race. Nature has done much for them, and no more cheerful, buoyant, hearty men are to be found anywhere in this broad

Occasionally, however, sickness will make its inroads in the most robust

community.

A case in point, is that of Mr. Joseph J. Arbour, of Perce, who for six months had been suffering severely with stomach trouble. Dyspepsia had him so tight in its grip, that us he says, he would be obliged to go tor days without eating anything at all. He was feeling very discouraged—Dyspepsia always makes a man feel blue—until one day a local druggist recommended Dodd's Dyspepsia Tablets, on the strength of what they had done for some lof his customers.

Mr. Arbour resolved to use them, Mr. Arbour resolved to use them, nd now he is very glad that he did.

60 ys:--'I have suffered from Dyspepsia for

"I have suffered from Dyspepsia for six months. The pains were so great that I would be obliged to go without taking anything except a drink of milk, for days at a time "Dodd's Dyspepsia Tablets were re-commended to me, and I determined to try them, I weed one box and was much relieved, and bought another

"Before the second box was all used "Before the second box was all used I was well again. They completely cured me. I can eat anything, and feel better than I have for years.
"I can highly recommend (Dodd's Dyspepsia Tablets as a sure remedy for Dyspepsia."

A remedy that can cure a carellke Mr. Arbour's and which has received the very highest endorsation.

the very highest endorsation of the druggists and physicians, is surely worth trying. Do you still doubt 7 Doubt and fear

Do you still doubt? Doubt and fear are symptoms of stomach trouble. Be assured Dodd's Dyspepsia Tablets will never disappoint.

They have promptly relieved and permanently cured many cases just as bed and worse than yours. Then why delay and suffer on, when there is a remedy at hand?

Every druggist sells them. Every druggist recommends them, tells the same story as Mr. Arbour. Dodd's Dyspepsia Tablets are no experiment, and you are taking no chances of any kind, Dodd's Dyspepsia Tablets will cure you.

<del>\*</del> There have been many historic events fallen upon All-Souls' and some riotable births and deaths. On this day in the year 1755, the beautiful, the unfortunate Marie Antoinette first saw the light; on this day, also

> most famous clergymen, literary lights and educators, as well as the leaders of the gay world of society. "The Bonnie Brier Bush," with Mr. Steddart, goes en tour at the end of the coming fortnight.

## WHAT'S WORN.

cause eye and muscle and hand refuse to act normally, exclaims: "My life is there on the ceiling of the Chapel of Sextus!"

For over four years the painter had worked, lying prome upon his back on the scaffold of his own erection, drawing his food upite him by a string and sleeping often without changing his velocities. The soft of the control of the sex of the

agony four he achieved, and in the end the masterpiece, which even to-day excites the artistic jealousy of painters the world over, glowed like a colossal mosaic above the heads of the ages. The design of the wonderful ceiling which I have in reproduction before me as I write, represents an world's received the covaries of the covaries of the covaries of the seven over the atre bodies in the place of the long coats or coat is the plain and plaited falling "Foatee" of silk, heavier cloth or fur which will be worn over theatre bodices in the place of the long coats or peterines. As for the shape of the skirt, it fits even more smoothly than ever in the back the tendency to plaiting and shirring upt leans so decided

> The fashions in hair dressing are varied between the two extreme, and the decision as to which is most becoming usually settles the style of coffure. The long coil which fulls on the neck

is intended especially for evening dress, and is not at all desirable for high gowns, as it soon ruins the col-lars. For day wear with a hat the

With the low coil a rose and bud are semetimes worn just back of the ear, and the wreath of tiny flowers is also good style. Strands of pearls are twisted in the hair with very pretty effect, and whatever your hair orna-ment is it must be fine and dainty,

The shirt waists this season are made with a slightly full front, plaited back, and a trifle fuller bishop sleeve than heretofore, and they show a cuff and waistband. Some plain, Freach backs are seen, but the summer's experiment with them was not altagether a success, as they did for one dollar at druggists, small size not altegether a success, as they did not fit or stay down as well as the plaited backs, therefore plaited for trimmed backs will have the prefer-

Rainbow effects in chiffon are a fancy for evening gowns. Sometimes as many as five thicknesses of chiffon are laid over the foundation satin, each one of a different tint, the aim

cach one of a different tint, the aim being to obtain an indescribably soft blending of shade in the outer robe of white chiffon. Only an artist can develop the idea; but, well handled, it means a thing of feeling, changing beauty.

Sashes are seen on many of the evening gowns. They have the wide girdle effect in front and fall on the train behind. The chick evening gown has the skirt tight around the hips and flares at the bottom. The bottom of the skirt is one mass of frills that look as though they had just tumbled there, very fluffy and full.

To Break up a Cold

all you require is a glass of hot water, a little sugar, and thirty drops of Polson's Nerviline. Take it real hot, and in the morning you will wake up without a cold. When depressed or tired, try Nerviline; it will tone you up better than stimulants. Nerviline wards off all sickness and keeps people well. Large bottles 25c.

A new sawmill is to be built at Ottawa with a capacity of 40,000,000 or 50,000,000 feet a year.

EVERY Housekeeper must often act as a family physician. Pain-Killer for all the little ills, cuts, sprains, as

A pretty and simple Christmas gift is a hat-pin cushion. Take a narrow bottle about six inches flong and fill it with some saw-dust or some such mas with some saw-dust or some such may terrial. Tie around it a fancy em-broudered handkerchief, fastened to-gether with baby ribbon at the neck. Leave one loop longer, by which to hang it up. A little padding on the outside of the bottle will improve the appearance of the handkerchief. If the latter is especially sheer line it with colored silk fringed on all sides.

Instruction is a teacher, but Example is an artist, and our emotions are the colors he mixes on the heart's palette.

## BABY'S HEALTH

he Most Precious Thing in the World to a Mother-How to Care for Little Ones.

pay for the preservation of the per-fect, rosy, sturdy health of a bab, No price would be too great; but, a matter of fact, the price is very ull—simply precaution and the ercise of good judgment. It is not good judgment to give e tender, little infant remedies

te tender, little infant remedies intaining opiates, and the so-called cothing" medicines, always con-in opiates; they do not cure, they ly drug and stupify the little es. Baby's Own Tablets are guar-teed to contain ones. Baby's Own Tablets are guaranteed to contain no opiates and no harmful drugs. It is the best medicine for little ones, because it is promptly effective and absolutely harmless. For nervousness, sleep-lessness, constipation, colic, stomach troubles, the irritation accompanying the cutting of teeth and other infantile troubles, Baby's Own Tablets is beyond question the best medicine in the world. The Tablets are sweet and pleasant to take, and dissolved in water can be given with absolute safety to the youngest infant. Methers who have used this medicine for their little ones, speak of it in the most enthusiastic terms—that is the best proof of its efficacy. Mrs. Alonzo Feltmate, Whitehead, N. S., says:—"In my opinion Baby's Own Tablets are unequalled for children. They take it readily, and it regulates the bowels, cures them of peevishness, and is a great belper in teething. I would not think of being without the Tablets." Sold by druggists or sent postpaid on receipt of price, 25 cents a box, by addressing the Dr! Wikiams Medicine Co., Brockwille, Ont.

# \*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\* The Household

\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\* Pineapple tapioca—Boil one half cup of White House tapioca and one cup of sugar in three cups of hot water until clear. Remove from the fir-and add the well-beaten whites of two eggs, a cup of grated pineapple and the juice of hialf a lemon. Serve cold with dream. Half a pineapple will be sufficient. What is left may be used for the next day.

Cabbage with sauce—Bo'l a firm white cabbage for fifteen minutes in salted water, pour off the water and add fresh water, boil until tender, set aside until cold, chop finely. Butter a baking dish and fill with the chopped cabbage. Make a sauke with these ingredients: One tablespoonful of butter, one tablespoonful flour, one half pint of water in which the cabbage was first cooked, salt, pepper, four tablespoonfuls cheese. Sir all the sauce ingredients except the cheese over the fire until smooth. Seuson with salt and pepper, add the cheese, finely gratted. Pour the sauce over the cabbage and bake for ten minutes in a quick—oven.

### HOME HINTS.

The Corporation of London will banquet the Princes and Princess of Wales at the Guiddhall on Dec. 5.

Nature has just one pigment on her pallette with which she produces all the marvellous tints of beauty, and that one pigment is the blood. The shell-like pink beneard the finger nails, the delicate rose of the cheek, the cherry ripeness of the lips, the irridescent brilliance of the eyes are all produced by the blood. Just as the permanence of a beautiful painting will depend upon the purity of the colors with which it is painted, so the purity of the blood. Paint, powder and cosmetics won't avail to preserve beauty. Beauty begans in the blood. Dr. Pierce's Golden Medical Discovery is a true beautifier, because it provides for nature that pure blood with which alone she can paint. The use of this medicine will cleanes the skin, heighten the complexion, brighten the examples of forms and give to face and form that radiance of health which is the greatest charm of beauty. Dr. Pierce's Pleasant Pellets are very effective in ridding the system of clogging residuum, which accumulates with constitution of the purity of the complexion, brighten the complexion, brighten the greatest charm of beauty. Dr. Pierce's pleasant Pellets are very effective in ridding the system of clogging residuum, which accumulates with constitution of the purity of the complexion of the purity of the color of the purity of the color of the purity of the blood. Paint, powder and make further treatment needless. Scrape the paste off when dry. Ink spots on clotth, even when old, will give way to repeated washings, first in melted tallow, then in hot water. This is a far better remiers and make further treatment needless. Scrape the paste off when dry. Ink spots on clotth, even when old, will give way to repeated washings, first in melted tallow, then in hot water. This is a far better remiers of the purity of the complex of the pu

Apricot marmalade-Take some fine apricots and choose from amongs them those which are of the deepest yellow and the repest, they must not be too ripe, peel them, take out the slones, and chop them up, weigh twelve pounds of them and put them into a preserving pan with nine pounds of sugar, place your pan over a quick fire, and keep your preparation constantly stirring with a long tion constantly stirring with a long wooden spoon, to find out when the marmelade is sufficiently done, let a few drops fall into a glass of cold water, and if they do not spread in the water your marmalade is ready to put in pots.

Cherry marmalade-Boil two pound Cherry mirranlade—Boil two pounds of sugar with two glasses of water, skim it well until, on shaking the skimmer after dipping it in the sugar, the latter drops from it like icicles, then you may put in four pounds of cherries picked and stoned, boil them, and when the marmalade flows readily, take it from the fire and put it into pots.

Currant marmalade—Strip your currants off from the bunches and soak them in boiling water until they break, then take them off the fire and lay them on a seve to drain, and when they are cold pass them through the same sleve to clear off the seeds, and then dry them over the fire till you bring your sugar to the boiling point, allowing as much sugar as fruit, mix well together, simmer it over the fire some time, then put the marmalade into pots.

Raspberry marmalade—Take double the weight of raspberries to that of sugar, rub the fruit through a sieve and put the pulp into a saucepan, set it on the fire and stir it till it is reduced to half, then pour on the sugar previously clarified, stir it well in, put it on the fire, give it a few bo'l., and then pour it into pots.
