

PREFACE.

THE facts and figures within will tell their own story to those who carefully consider them. The record of work done, and of gifts bestowed, and of blessings received, may in some respects be disappointing, but to him who endures as "seeing Him who is invisible," there is much to call for devout thankfulness. The fact that 2,169 baptisms are reported from the churches, shows that labor for the Lord is not in vain. "The Lord hath done great things for us, whereof we are glad."
