#### HORSES

Quite a few horses are being sold. At Grand's Repository last week, W. Har-land Smith sold 130, mostly working horses, very few drivers being offered as the demand for them is slack just now. One good draft bay gelding, 1550 in weight, sold last week for \$225. This was the top price, and they sold down to \$100 for horses weighing, 1,200 to 1.300. A number of North-West buyers are now in the province looking for working horses and the demand for these is good.

tity of Island produce held over at this point, which may lead to firm prices in the spring for potatoes, turnips and oats provision market has developed ome strength and barrelled pork is about two dollars higher than at the first of the month. Beef has advanced one dollar per barrel and is very firm. Lard is firmer in sympathy with pork products. Beans are easier and seen to be in good supply. Flour has adto be in good supply. Flour has advanced about 20 cents per barrel in wholesale lots since the first of the month. Hay is very quiet and there seems to be a very light demand, but the price keeps firm. Eggs are very seems to be a very light demand, but the price keeps firm. Eggs are very scarce, there being practically nothing on the market except limed stock. Dairy produce is unchanged, with fair quantities arriving from Montreal. The Sussex Chesse and Butter Company, at its sex Cheese and Butter Company, at its annual meeting, reported a gain in business of over 33 1-3 per cent. The gross carnings of the Company for 1993 were \$55,000,57, the value of the butter and cheese output, \$\$4,500,93, and the total amount paid the patrons, \$49,383,80. The average price paid for milk was 85 cents per 100 lbs, to which should be added at least 14 cents for the 8thm milk which at least 14 cents for the 8thm milk which is returned. The yearly statements from other factories have not come to hand, but in comparison with last year's state-ments, the Sussex factory is one of the largest in Eastern Canada. There is very little doing here in fish at the present time and quotations are unchanged. Lobster fishermen are doing well when the weather is not too rough for them to lift their traps. The Scotch expert who has been in this province has decided to locate an experimental station at Canso and will introduce Scottish at Canso and will introduce Scottish methods of catching and curing herring. He has returned to Scotland to bring out a steamboat and crew for this purout a steamboat and crew for this pur-pose. The winter haddock fishing is being prosecuted vigorously and a regu-lar supply of fresh fish is being sent forward to Montreal and other markets.

An excursion to Ontario is being or-ganized by the C. P. R. for the conve-nience of Maritime Province stockmen during the first ten days of March. The party will first visit the Toronto Horse Show, then the Agricultural College at Guelph, and the National Live Stock Convention and sale of bulls at Ottawa.

There is much activity in railway construction in Nova Scotia this winter. is expected that the first train over the Halifax and Southwestern Ry. will run into Halifax early in June. Steam communication with P. E. Island is again interrupted. The Stanley is stuck in the ice five miles from Pictou, and today the Minto, which came within two miles of Pictou, was unable to enter the harbor and had to return to Georgetown to await a change of weather.

## A Successful Western Creamery

Mr. H. W. Trimble sends us a state-ment of what his creamery at Red Deer, ment of what his creamery at Red Deer, Alta, did last year. From Nov. 1st, 1902, up to Oct. 31st, 1903, there were received 52,3217 inches of cream which nade 64,230 lbs. of butter. The price received by patrons for the winter sea-son, commencing Nov. 1st, 1902, and ending April 30th, 1903, was 21c. clear; and for the summer season, beginning May 1st and ending Oct. 31st, 135/c. per lb. clear. There are eighty-one nations.

This creamery has been running for three years. The first year's make was 22,950 hs. of butter, with 24 patrons; the second year, 47,641 lbs., with 44 patrons, and last year, 64,250 lbs., as noted above. A bigger business is expected in 1904.

# Ottawa Looking for Dominion Fair

The annual meeting of the Central Canada Exhibition Association was held last week, he total expenditure for 1003 was \$58,710, as compared with receipts of \$58,013, leaving an overdraft of \$697, which would have been more than made up had not one wet day interfered with the receipts at last. year's fair.

With a view of obtaining a Dominion Fair for Ottawa in the near future it was strongly urged that the Ottawa City Council take immediate steps to-wards securing additional land for the purpose of enlarging the present exhibition grounds.

An effort will be made to secure more local stock exhibits for next fair.
