### GOSSIP.

G. A. Brodie, of Bethesda, Ont., announces a sale of 50 imported Clydesdales on January 8th. Included in the lot are what the Scottish Farmer called 20 of the best fillies that have left Scotland this year, also a specially good Sir Hugo stallion. Full particulars will appear later, and prospective purchasers will do well to keep their eyes open for the announcement.

The telephone, with its infinite capacity for crossed lines and wrong numbers, has been contributing generously to our fund of good stories, lately; the most recent being told by a fair resident of the West end. One day as she was enjoying a "tub," the telephone bell rang violently. All the rest of the family were out, and she determined to ignore it. The bell continued to ring most persistently, however, and at last, with an impatient exclamation, she draped herself in a bath towel and went to answer it, thanking the gods meanwhile that she could only be heard, not seen. Raising the receiver to her ear, she wondered if her congratulations had been premature when a man's voice said, "Hello! I say, is that the semi-ready?"

### WATT BROS.' SHORTHORNS.

There is no herd of Shorthorn cattle in Canada with such a continental fame as the Watt herd. During the long and honorable career of the late W. Watt, the founder and breeder of the herd, Canadians were won't to point to this herd with pride as a product of intelligent Canadian breeding. Year after year, being exhibited at all the leading shows of Canada and the United States, standing up for comparison with the product of two continents, and always with honor to themselves, theirs is a record equalled by no other one herd in Canada, and that the mantle has fallen on worthy shoulders in the two sons, R. A. and J. A. Watt, is amply proved by the phenomenal success of the herd last year at Winnipeg, Toronto, Chicago and the New York State Fair, also in the high standard of excellence in which we found the herd on the occasion of our visit a few days ago, all presenting a grand appearance and in the pink of condition, weighing from 1,600 to 1,800 lbs. each, many of them the daughters of two of the greatest sires Canada ever knew, Imp. Royal Sailor and Barmpton Hero, both owned and used on the herd, which is made up of the choicest strains of the breed, namely, English Ladies, Mildreds, Stamfords, and Matchless strains, which, coupled with Royal Sailor, produced some of the greatest sires alive and in service in Canada to-day, their get winning at Toronto year after year. The present stock bulls are the great show bull, Mildred's Royal, by the Toronto junior champion, Royal Wonder, a worthy son of Royal Sailor; Springhurst, by Imp. Royal Prince, dam Snowflake 4th, a Mina, by Victoria Duke. Springhurst is a show bull from the ground up, and pronounced by Mr. Duthie as the best bull he had seen in Canada. The other is Thornhill Sailor, by Redmond Bros.' great stock bull, Sailor Champion, a son of Royal Sailor, and out of one of Redmonds' Marigold cows, better than which there is none. This year, at Detroit, Thornhill Sailor won first, which places him among the best show bulls in the country. Among the choice show stuff in the herd is the thrice Toronto champion, Mayflower 3rd, never in better bloom than she is at present; Queen of Stamford, a roan yearling, probably the best thing ever bred in the herd; Missie Stamford, another roan yearling that will make things interesting next fall. Another is a red two-year-old Rose of Hope heifer that will be hard to turn under. Olga Stamford, that, last year, won second at Toronto and Winnipeg, and first at New York State Fair, is looking her best. Tiny Maud, the Toronto and Winnipeg first-prize heifer, is steadily improving, and the one that beats her next year will have to be a peach. Then comes the two-year-old Claret heifer, in grand condition. In young bulls, there are eight from six months to one year of age, by Mildred's Royal Scottish Beau (Imp.), and Springhurst, and on the dam's side are Stamford, Mildred, Imp. Crocus, Imp. Donside Alexandria, and Imp. Lady Mina bred, among which can be got herd-headers of a high order.

## CAUGHT COLD ON THE C.P.R.

A. E. Mumford tells how Psychine cured him after the Doctors gave him up

"It is twelve years since Psychine cured me of galloping consumption." The speaker was Mr. A. E. Mumford, six feet tall, and looking just what he is a husky healthy farmer. He works his own farm near Magnetawan, Ont.

"I caught my cold working as a fireman on the C.P.R.," he continued. "I had night sweats, chills and fever and frequently coughed up pieces of my lungs. I was sinking fast and the doctors said there was no hope for me. Two months treatment of Psychine put me right on my feet and I have had no return of lung trouble since."

If Mr. Mumford had started to take Psychine when he first caught cold he would have saved himself a lot of anxiety and suffering. Psychine cures all lung troubles by killing the germs—the roots of the disease.
