'Newcombe' Pianos

Are Perfection!

And tributes to the inherent excellence of the Newcombe are most universal.

EXPERTS have placed it alongside of the most famous makes in the world, and on an equality in all the points that make for perfection.

ARTISTS in the old world and the new have been unstinted in their praise of it—spontaneous eulogy, with nothing to prompt it but merit.

THE PEOPLE have given practical proof of their trust in it as the best, as the thousands of homes into which it has gone in the last 30 years do testify.

Dealer, isn't it the best piano to sell? Prospective purchaser, isn't it the best Piano to own?
