HEWSON'S

NAME THE MAKE

Ask for Hewson's, and show the dealer that you are "quality wise." To name "Hewson Unshrinkable" when buying underwear puts you in touch with the pure Nova Scotia wool, perfect-fitting, soft durable article we make.

We go to special trouble to cover the seams, which means that they are as strong as the fabric itself. Sleeve and ankle ends get extra attention and will neither fray nor unravel. The comfort of this underwear can only be realized by actual trial. Make the trial next time.

GOOD CHEER FURNACE

With its Big Circle Waterpan

For Your Health's Sake

install a Good Cheer Furnace with its good big Circle Waterpan and its assurance of a warmth that is cosy and healthful.

Don't kiln-dry yourself breathing the parching moistureless heat of the average furnace where the waterpan is a joke.

The "Good Cheer" Circle Waterpan Furnace

is the only furnace in which really satisfactory provision is made for supplying enough moisture to make the air as humid as it is on a perfect summer day.

The big waterpan encircles the fire-pot, where evaporation is rapid, and distributes the moisture evenly through the whole volume of heated air.

The perfecting of the healthy heat feature may be taken as an indication that the "Good Cheer" Furnace leads in excellence of other features.

Investigate this new "Circle Waterpan" feature of the "Good Cheer" Furnace—it is of first importance. We'll gladly send you Booklet giving the facts.

BARN WORK NOW A SNAP

With the BT Litter Carrier installed in your barn you do away with hard, disagreeable and tedious work. The BT Litter Carrier saves time, trouble and expense. It carries the manure from the gutters to the shed or pile in a fraction of the time it formerly took. No matter how many cows you have, or what it costs you with the pitch-fork and wheelbarrow method to clean your stables, the BT Litter Carrier will save you half the expense.

THE BT LITTER CARRIER

is so simple in construction that there is nothing on it to get out of order. We GUARANTEE our carrier absolutely FOR FIVE YEARS. With no other carrier is such a guarantee given. In fact most of the firms change their carrier every year, and they will have to keep on changing, for they simply cannot get around the patented points on the BT Carrier.

More BT Litter Carriers were sold in Canada last year than all other makes combined. Here are some of the reasons WHY:

The BT Litter Carrier has double purchase in lifting. It elevates easily. There are no worm gears to wear out. The carrier is windlassed by a crank wheel. There is no noise or rattle as with a chainlift. The bucket is made of 18 gauge galvanized steel—four gauges heavier than others use.

The Track is 2 in. in depth—the next deepest is only 1 1/2 in. It will carry a much heavier load than any other and is much easier to erect.

It Costs No More Than Others

There are many other reasons which you should know. Get our catalogue and learn them—it is FREE.

It will pay you to write now—you will be surprised how cheaply you can install a Litter Carrier in your stables.
