

The Guide is the only paper in Canada that is absolutely owned and controlled by the organized farmers. It is entirely independent, and not one dollar of political, capitalistic or Special Interest money is invested in it. All opinions expressed in The Guide are with the aim to make Canada a better country and to bring forward the day when "Equal Rights to All and Special Privileges to None" shall prevail.

Subscriptions to any part of the British Empire, \$1.00 per year; two years, \$1.50; three years, \$2.00; five years, \$3.00; ten years, \$5.00, in advance. Foreign subscriptions, \$1.50 per year in advance. Single copies, 5 cents.

Are you content to have your land idle seven months a year?

Do you ever wish that you and your family could avoid the long, cold winters?

Then why don't you get a farm in the great San Joaquin Valley, California, where the fertile soil will work for you twelve months in the year, and where you and yours can enjoy life in the most perfect climate on earth?

There you will not be housed in for months at a time, but every day you may engage in some profitable occupation. With the long growing season you can so arrange your planting that the harvest rush will never be necessary. Labor troubles also will be eliminated, for you can do most of the work yourself.

Fruit-growing is profitable, and every well-laid-out farm will have part of the land planted to trees and vines; but the greatest, quickest, surest returns will be from every-day staples. Your alfalfa meadow, your dairy herd, your hogs, poultry and general farm produce are what will bring you the quick, dependable income.

Conditions in California are different from those you now know, but you will not have to meet them alone; the Santa Fe Agricultural Department is ready with specially trained men to help you solve your problems.

Don't wait until this beautiful valley is crowded; get in now before land values go up. Your profit from this source alone will be a handsome one.

Write to-day for new illustrated books, telling all about the country. They are free.

THE STORY OF WOMAN'S SUFFRAGE. If you want to be posted on one of the greatest movements of the times from its beginning in England and elsewhere to the present day you should read "Woman's Suffrage," by Mrs. M. G. Fawcett, L.L.D., leader of the non-militant branch of the English suffragists. It is a simple unprejudiced history of the movement, full of invaluable data for argument and debate and is a splendid contradiction of the theory that suffrage and militancy are necessarily associated. Mrs. Fawcett is herself the leader of a very large body, which for nearly a century has been working for the vote by constitutional methods only. Considering its surprisingly neat binding and legible printing this little book, "Woman's Suffrage," is very low priced indeed at 25c a copy.
