

Mrs. Gertrude McKiernan.

MOTHER AND DAUGHTER PRAISING PE-RU-NA.

MRS. GERTRUDE McKIERNAN, 216 Neosho street, Emporia, Kas., writes:

"I suffered very much with a severe cold in the head and was always complaining of feeling tired and drowsy. When my mother suggested and insisted on my taking a few bottles of Peruna, I did so, and in a short time I felt like a new person. My mother praises it very highly and so do I."

Confidence in Pe-ru-na.

Mrs. M. F. Jones, Burning Springs, Ky., writes:

"We have been using Peruna for some time and have no hesitancy in recommending it for the thousand and one ailments of humanity."

"From a personal test I shall not hesitate to recommend it, especially to all suffering women."

"Peruna has gained full confidence and a permanent stay in our home."

A Great Tonic.

Mrs. Anna Linder, R. R. 5, Dassel, Minn., writes: "I took Peruna and am well. I would not be without that great tonic for ten times its cost."

A BRIGHT BOY.

"Say," queried the father, "can't you give my boy a position in your store?"

"I don't know," rejoined the grocer. "What can he do?"

"Well," rejoined the parent, "I don't suppose he could do much at first, except buy and sell goods and manage your business for you, but later on when he gets a little experience and sense he might be able to sweep out, do up packages and run errands."

Lady—"I am looking for a governess for my children." Manager of Intelligence Office—"Didn't we supply you with one last week?"

"Yes," "Well, madam, according to her report, you don't need a governess. You need a wild beast tamer."

A FIRE SPREADS in dry grass, so does an inflammation in the throat grow down into the lungs. Deal promptly with a cold as with a fire, and when you begin to cough use Allen's Lung Balsam.

Mrs. Frills—"Now that I have engaged you, Bridget, I am going to begin to give you a little training in the art of waiting on guests. You see, my daughter is coming out next month—" Bridget—"Indade, mum! An' how long was she in prison?"

It takes two to make a quarrel—but that is no reason why you should be one of them.

MOURNING IN BENGAL.

Third Anniversary of Partition of the Province.

A remarkable anti-European demonstration was made throughout Bengal recently on the occasion of the third anniversary of the partition of the province.

The natives observed the anniversary as a day of mourning, discarding their clothes and footwear and abstaining from food. All shops were closed in Calcutta.

Several police proclamations were posted everywhere forbidding meetings and processions after 5 o'clock, and ordering the arrest of any native found carrying weapons.

In consequence of the alarming rumors that the Bengalis contemplated an attack on Europeans, two companies of Gordon Highlanders were turned out for patrol duty, and the remainder of the regiment was kept under arms in the fort.

Two hundred police with fixed bayonets marched to the scene of the principal assemblage in Calcutta, while five hundred other police, including plain-clothes men armed with revolvers, were posted in the native city, in order to be ready to quell any rioting.

Forty thousand Bengalis paraded the streets, the procession being a mile and a half long, and stopping all traffic. Surendranath Banerjee, the "uncrowned king" of Bengal, was escorted by a bodyguard. He walked beneath the standard of Bengal.

The police prevented any speeches being made by the agitators, and attempts to create disturbances were promptly suppressed. A European corporation official was attacked outside the university, and his carriage was stoned. One of the footmen was severely injured, and only escaped death in consequence of the bravery of the coachman.

AMPLE GROUNDS.

A little boy, aged five, had been severely punished by his parents for disobedience, and the next day, without a word to anyone, he hurried off to the family legal adviser, who happened to be a particular friend of his.

"Well, Johnny," said the man of law, after he had shaken hands with him, "what can I do for you?"

"Please, Mr. Brown," said the young litigant, "I want to get a divorce from our family!"

BABY'S WELFARE

MOTHER'S CHIEF CARE.

Every mother is naturally anxious that her little ones shall be healthy, good natured and bright. Every mother can keep her little ones in this condition if she will give them an occasional dose of Baby's Own Tablets. These Tablets cure all stomach and bowel troubles, break up colds, destroy worms and make teething easy. Equally good for the new born baby or the well grown child. Mrs. W. E. Stewart, St. George, N. B., says: "I have used Baby's Own Tablets for my little ones for several years and have found them reliable in all emergencies. I cannot praise the Tablets too highly." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

If a girl is in love with a young man she can't see anyone else in a crowd.

They are Carefully Prepared. — Pills which dissipate themselves in the stomach cannot be expected to have much effect upon the intestines and to overcome costiveness the medicine administered must influence the action of these canals. Parmelee's Vegetable Pills are so made, under the supervision of experts, that the substance in them intended to operate on the intestines is retarded in action until the bowels.

INSULTED.

Andrew Thomas was a great "forgetter." He forgot to pay the money he owed, and to give people back the things he borrowed. Moreover, he was "touchy" on the subject, so that few of his friends liked to hint that he had any of their property in his possession. One day one of them took his courage in his hand.

"Where's that five dollars you borrowed of me last month, Andrew?" he asked. "I don't want to seem tight, but I've just got to—"

Andrew replied with dignity, "Did you ever see anything I didn't return? No, I guess you didn't."

NEWFOUNDLAND PAYS TRIBUTE

TO THE GRAND WORK DODD'S KIDNEY PILLS ARE DOING.

Fishermen Regard Them as a Boon to Mankind—Mr. Frank Banfield Tells How They Cured His Backache.

Garnish, Fortune Bay, Nfld., Nov. 9. (Special).—Among the fishermen here, who through exposure to wet and cold are subject to those pains and aches which come from diseased Kidneys, Dodd's Kidney Pills are looked upon as a positive boon to mankind. They are never tired of telling how their Backaches and their Rheumatism vanish before the great Kidney remedy.

Among many others Mr. Frank Banfield, after years of suffering, has found relief in Dodd's Kidney Pills, and here is what he is telling his friends—

"I find Dodd's Kidney Pills the best medicine for Backache I have ever used. I only used two boxes and they cured me of Backache I had had for five years. It started through a strain. My father's back also bothered him, and he got some relief from one pill I gave him. They were too precious to give him more. All persons suffering from Backache should use Dodd's Kidney Pills."

Why do Dodd's Kidney Pills cure Backache? Simply because Backache is Kidney ache, and Dodd's Kidney Pills positively cure all Kidney aches and ills. This has been proved in thousands of cases in Canada. If you haven't used them yourself ask your neighbors.

SAFE INDEED.

The modern troubadour felt hurt. "Oh, well," he remarked, "if you don't enjoy my songs I shall sing to the man in the moon."

The pretty maiden laughed softly. "Quite safe, Archibald," she chuckled. "The man in the moon is over 200,000 miles away and can't reach you."

A LITTLE QUIET is the best of all diet, yet it will not make bone and muscle but "Ferrovin" will. Try it. All drug and general stores. \$1 bottles.

OUTSIDE HIS LINE.

"I presume, my good fellow, you're a laborer?" said a lawyer to a plainly-dressed witness.

"You are right, I am a workman, sir," replied the witness, who was a civil engineer.

"Familiar with the use of the pick, shovel, and spade, I presume?"

"To some extent. Those are not the principal implements of my trade, though."

"Perhaps you will condescend to enlighten me as to your principal implements."

"It is hardly worth while. You don't understand their nature or use."

"Probably not," loftily, "but I insist on knowing what they are."

"Brains, sir."

The doll is the oldest form of plaything known.

She—"Do you like dark hair or golden?" He—"Dark; you can always see it quicker in the butter."

A Small Pill, but Powerful. — They that judge of the powers of a pill by its size, would consider Parmelee's Vegetable Pills to be lacking. It is a little wonder among pills. What it lacks in size it makes up in potency. The remedies which it carries are put up in these small doses, because they are so powerful that only small doses are required. The full strength of the extracts is secured in this form and do their work thoroughly.

Two young ladies were talking the other day about a third who had just become engaged to a widower, who plays the cornet, and has four children. "What could be worse," exclaimed one, "than four children and a cornet?" "Nothing," said the other, "except, perhaps, six children and a trombone."

WELL, WHAT OF IT?

When a girl gets married she is practically the whole show. The man only plays a sort of bridegroom obligato.

Bickle's Anti-Consumptive Syrup is agreeable to the taste, and is a certain relief for irritation of the throat that causes hacking coughs. If used according to directions it will break the most persistent cold, and restore the air passages to their normal healthy condition. There is no need to recommend it to those familiar with it, but to those who seek a sure remedy and are in doubt what to use, the advice is—try Bickle's Syrup.

The delicious flavor and aroma of "Salada" Tea is preserved by the use of sealed lead packets. It is never exposed to the sun, dust, dirt, air, the surrounding odors and contaminating influences of other goods as bulk or loose teas are. A teapot test will show the difference.

The superiority of Mother Graves' Worm Exterminator is shown by its good effects on the children. Purchase a bottle and give it a trial.

There are in Quebec to-day descendants of Wolfe's Highlanders, who stormed the place; but, though Scottish in everything else, they speak French, and do not know English.

NO SUBSTITUTE for "The D & L Menthol Plaster," although some unscrupulous dealers may say there is. Recommended by doctors, hospitals, clergy and everybody, for stiffness, pleurisy, etc.

Mother—"Did you get that awful cold while out playing?" Son—"No mother; I think I caught it washing my face yesterday morning."

It Retains Old and Makes New Friends. — Time was when Dr. Thomas' Electric Oil had but a small field of distribution, but now its territory is widespread. Those who first recognized its curative qualities still value it as a specific, and while it retains its old friends it is ever making new. It is certain that whoever once uses it will not be without it.

"What is the matter?" said the lawyer to his coachman. "The horses are running away." "Can't you pull them up?" "I am afraid not." "Then," said the lawyer, after a judicial delay, "run into something cheap."
