Local Affairs.

Mr. Thos. Wiggins, of Dungannon, was in town the other day on a visit to his father, Mr. Henry Wiggins, who is, we are sorry to say, quite ill at present.
A wave of cold weather followed the thunderstorm of Monday last, which called for the inspection of underclothing, wood-piles and other adjuncts of the fall and winter season.
Mr. Harry Day arrived home from Montreal last Friday bringing with him a beautiful imported Clyde stallion for Mr. John Watson, the horse buyer. The animal was much admired in Gorrie.
The brick work on the new Methodist church in this village is about completed. The carpenters are nearly ready for the s'ate roof, when the building will be closed in and the interior work commenced.
The Inspector of Insurance Companies was in Gorrie yesterday looking into the affairs of the Howick mutual. He expressed entire satisfaction, and complimented Mr. Will McKercher, the secretary, upon the accuracy and cleanliness of his books.
Mr. Richard Ross has already shipped two car-loads of apples from Gorrie station and four more will be sent this week. The apples are destined for the Glasgow market. He still has about 1800 barrels out which are rapidly being filled by his packers. He is buying for Mr. Thos. Seldon, of Ingersoll, the great apple king.
The plan of the hall for the Sara Lord Bailey Readings, on the evening of Oct. 20th, was opened at McLaughlin's drug store yesterday, and already some twenty or so seats are taken. The entertainment promises to draw an immense audience, and those who attend will certainly hear one of the first artists of the day.
The Mail says of Parker's Dye Works, Toronto: "No longer is it necessary to give away, or sell for a trifling amount, the partly worn goods when they can be cleaned and dyed so as to present as good an appearance as new, and last double the time they would otherwise. This firm have now a most enviable reputation and are distinguished from other and less competent dyers by the fine work they turn out." We cannot say any too much for R. Parker & Co., the well-known dyers, of Toronto. We advise our readers to look through their wardrobe and have their soiled or faded garments cleaned or dyed to look like new. Agents: A. B. Allison, Gorrie;

Mr. and Mrs. Dakin, of Galt, spent a few days, the past week as the guests of the lady's father, Mr. A. B. Allison, in this village. On Tuesday evening Mr. D. accompanied the Brass Band to Wroxeter as snare-drummer, and proved himself a first-class performer upon that difficult instrument.

WHEN TO PULL APPLES.—Winter apples may be pulled on the 10th of October or as soon after as convenient, and put under cover. Barrels must not be left outside, full or empty. Load flat and deliver at Gorrie station Thursday afternoons and Friday forenoons; and at Wroxeter station on Thursdays. Packers will give full instructions when to deliver apples. R. Ross, Apple Buyer.

Phrenology is recognised as one of the most useful sciences. By its aid the aptitudes and inclinations of children can be correctly indicated by a competent Phrenologist and Physiognomist. Mr. D. Munro, ex-teacher and journalist, an honor graduate of the Fowler & Wells Phrenological Institute, New York, who has been doing Phrenologist work in the counties of Perth, Oxford and Waterloo for the past year, has arranged for a course of lectures in the Shaftesbury Hall, Gorrie, to begin on Monday evening, the 10th October.

HOWICK FALL SHOW.
It Was a Grand Success This Year.
The weather last Saturday was all that could be desired, and Fordwich was a lively place fully 1,500 persons having gathered to attend the Fall Show.

The display of live stock was exceptionally fine, and the horse ring was constantly surrounded by an interested crowd of spectators while the judges were making their awards. The cattle, sheep, hogs, etc., came in for a full share of admiration. But the poultry department was sadly neglected by exhibitors, only a few coops being shown, and these were probably overlooked by the judges, as we could find no record of any awards being made.

The display in the hall was a real fine one and deserved a much better inspection than it received. The doors were not opened until shortly after three o'clock, and then the crowd surged in, crushing and jamming in such a manner as to make it impossible to enjoy the really excellent exhibits. As it was, the people were only too glad when they managed to work their way out into the open air again.
Secretary Hepinstall was everywhere, and is entitled to much of the credit for the success of the Show.
The Gorrie Brass Band was present during the afternoon and their music was much admired.

Editor Gazette.—Please allow me a small space in the columns of your journal to extend, on behalf of the Fordwich O. Y. B., our sincere thanks to all who assisted us at our soiree and entertainment last Thursday evening. It was undoubtedly a grand success, the proceeds amounting to \$88.50, a handsome part of this sum finding its way into the treasury after the expenses were met. We cannot accept the kindness of our many friends, not only from around here, but from Gorrie, who assisted us, without again thanking them through the GAZETTE. And especially we are under obligations to your Brass Band, who so kindly accepted Bro. Cook's invitation to assist us, thus adding much to the success of our entertainment. We regret not having more room to accommodate our friends. We had ample room for 250 people, but there must have been at least 400 persons crowded in, so it was impossible to make them all comfortable. But we hope, in the near future, to have a hall in the village that will seat at least 400. Again thanking you and your excellent Band, and all who contributed to our success, I am,
Yours,
J. A. SANDERSON,
W. M. O. Y. B.

Wingham.
The Wingham Fall Fair was a fine success.
The Washburne circus which visited Wingham last week was fairly well attended and not a few were relieved of their "lives as 'sens". One man was "taken in" to the tune of \$85. Some people cannot learn.

Mr. Jas. Shaw who has been a great sufferer for the past six years, succumbed to his disease, palsy, on Friday last. His funeral on Sunday last was very large, and was conducted by the C. O. F., of which he was a member.
Early on Monday morning Mr. and Mrs. Reid, Lower Wingham, were suddenly awakened by a cracking noise on the roof, and hastened out of bed to find that the house was enveloped in a sheet of flames. They had only time to get a few things out when they had to walk out themselves and allow the fire to destroy everything else. Mr. Reid had just got the house fixed up and painted and it was rather a sad sight to see it go up in smoke. Along with the rest about \$25 in cash was burned, and about 25 cords of good stove wood. The insurance will not cover the loss.
While Mr. C. Wilson, ex-M. P., was driving out to the cemetery one evening last week, the horse, being a spirited animal, took fright and bolted to one side throwing Mr. Wilson out and hurting him severely. We are glad to say that he is again recovering, and will, we hope, be all right in a few days. This is not the first accident of this kind which has happened to Mr. Wilson.

Redgrave.
Miss Mary Morrell is visiting friends about Elora.
Mr. and Mrs. Samuel Johnston are on a visit to friends in Michigan.
Mr. William Pritchard has returned from Manitoba. He had an enjoyable trip and speaks well of the country.
Some of our young people attended the Young Britons' social at Fordwich. Go in boys.

Redgrave has boasted of their good looking girls, but we are sorry to say that not any of them succeeded in carrying off the prize given at Fordwich.
Redgrave has the happiest man in the township, and our citizens lift their hats to him, all because 'tis a baby boy. He will call Mr. L. A. Mason papa as soon as he grows big enough.
Miss M. A. Allan who has been ill the past few days is now recovering.
The Rev. M. S. Gray will preach next Sunday evening at 7 o'clock.

DIED.
DAVIDSON.—In Paris, on Tuesday, Oct. 4th, 1892, John Davidson, jr., son of John Davidson, Esq., Wroxeter, aged 24 years, 5 months.
