## PICTON CITIZEN DIES ON TRAIN

He was Going to Chicago to Address Railway Men's Convention—Built C. O. Railway—An Authority on Certain Phases of Transportation Question

Picton, Ont., March 23—Word has just been received by wire from Chicago that George M. McMullen, a resident of this town, died today of heart failure while on the train between Chicago and Evanston, Ill. Mr. McMullen left Picton a few days ago accompanied by his son, G. B. McMullen, to attend the Railway Maintenance of Way Convention being held in that city. He was to address the convention on a project for the preservation of the railway, on which he had recently secured letters patent. Mr. McMullen had been for many years interested in transportation. He was one of the original promoters and builders of the Central Ontario Railway, first securing the charter and building the road from Picton to Trenton and later extending it northward to Coburn.

The deceased was prominently identified with many enterprises, in many of which he did considerable scientific research. He had patented improved processes for the extraction of the juices from sugar cane and for evaporating milk. He was also the originator of the famous Gathmann gun, which was tested and rejected by the United States Government, but later adopted by the Germans and used with much deadly effect at Liege and Antwerp. He was a man of remarkable intellectual power, of marvellous memory and of great persuasive ability as a conversationalist and orator. He was expected to arrive in Picton Thursday, accompanied by his son and his wife, who was also in Chicago.

## OBSEQUIES OF LATE M. MASTIN

(From Thursday's Daily)

All that was mortal of the late M. Mastin was laid to rest on Tuesday afternoon in Belleville cemetery. The Rev. W. G. Clarke, B. A., B.D., conducted a solemn service at the family residence William St. Rev. Amos Campbell assisting. Mr. Ernest Ridley sang a solo very sweetly. The obsequies were under the auspices of the Alpha Club, the bearers being Messrs. Stratton, Phillips, Frederick, Wills, Rowlands, and Kelly. The wide popularity of the deceased was evinced by a very large attendance of friends at the last rites. The contributors of floral tributes were as follows—

Family—pillow  
Alpha Club—heart  
L.O.F.—wreath  
Nurses of Belleville Hospital—sneak  
Royal Templars of Temperance—sneak  
Tabernacle Ladies' Aid—wreath  
Barack Club—sneak  
Bridge St. Ever-Ready—sneak  
Tabernacle Jr. League—sneak  
W.C.T.U.—wreath  
Mrs. John Britten, Lonsdale, wreath  
Mr. and Mrs. A. Brucin and family, wreath  
Mr. and Mrs. L. Ross and family, wreath  
Mr. and Mrs. C. J. Peppin and family, wreath  
Mr. and Mrs. Wm. Yates—star

Chas. L. Walters—anchor  
Mr. and Mrs. Heagle—sneak  
Mr. and Mrs. J. Robertson, sneak

## KNEE JOINTS STIFF THREE YEARS

CURED BY NERVILINE.

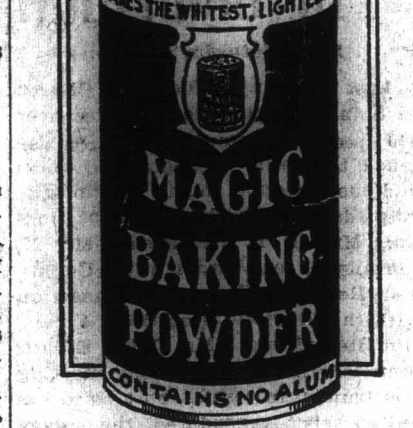

Anyone would marvel at my recovery, writes Mr. Leonard Lotham, a young man well known about Chatham. I had inherited a rheumatic tendency through my mother's family and in my early days suffered frightfully. About three years ago the pain and stiffness settled in my left knee joint. I was lame and walked with a very distinct limp. Nerviline was brought to my notice and I rubbed it into the stiff joint four or five times a day. It dispelled every vestige of pain, reduced the swelling, took out the stiffness and gave me the full use of my limb again. I don't believe there is a pain-relieving remedy, not a single liniment that can compare with Nerviline. I hope every person with pains, with sore back, with lameness, with lumbago, with neuralgia—I do hope they will try out Nerviline which I am convinced will quickly and permanently cure them.

If Nerviline wasn't a wonderful painless remedy, if Nerviline didn't quickly relieve, if Nerviline wasn't known to be a grand cure for all rheumatic conditions, it wouldn't have been so largely used as a family remedy for the past forty years. No better, stronger, or more soothing liniment made. Of the large 50c, family size bottle; small trial size 25c; sold by any dealer, anywhere.

## W. H. ALLEY

The funeral of the late William Henry Alley took place from Tickle and Sons Company's morgue on Wednesday. The Rev. R. C. Blagrove conducted a solemn service before the remains were removed to Belleville cemetery for interment. Deceased was 80 years of age and was a resident of Maye township in his early life.

## NO ALUM

## DEATH OF MRS. FORIN

(From Thursday's Daily)

Jane Forin, widow of the late John Forin, died last evening at six o'clock at her residence, 2 Forin street. Mrs. Forin was born near Dunkeld, Perthshire, Scotland, in 1832, being the eldest daughter of the late Alexander McLaren, of Tyndinaga, who came to Canada when she was quite young. Marrying in 1854, Mrs. Forin had resided in Belleville 61 years, deeply beloved by all those who were privileged to know her. She was a member of John St. Presbyterian church since its inception and identified herself with every noble cause. The surviving children of the late Mrs. Forin are Mrs. (Rev.) John Campbell, and Mrs. Thornton Fell, Victoria, B.C. Judge Forin, Nelson, B.C. Dr. Alex. Forin, Edmonton, Alta. Mrs. (Rev.) David McLaren, Toronto; Mrs. John McLaren, Brockville, and P. McL. Forin of this city. Also surviving her are 14 grandsons and twelve granddaughters. These with a large circle of relatives and friends sorrowed at her departure but live expectant of a final meeting.

## A. Y. P. A. ENTERTAINS EVER READY'S

A very interesting evening was spent last night in the Parish Hall of Christ Church when by invitation from the A.Y.P.A. the Ever-Ready's of Bridge Street came over and engaged in a debate. There was a large attendance of the members of the A.Y.P.A. and after the opening exercises, three girls of the A.Y.P.A. opposed a similar number of boys of the Ever-Ready's, relating their affirmative, that the 18th century did more for human progress than the 19th. The Ever-Ready's on the affirmative were represented by Messrs. Osborne, Mounter and D. Holton, while the cause of the negative maintained by the A.Y.P.A. was upheld by the Messrs. B. Panter, M. Diamond, and J. Bishop. The debate was lively and interesting and showed not only research but a great deal of ability. The judges, Dr. Proctor for A.Y.P.A. and Dr. McCulloch for the Ever-Ready's with Mr. Irvine as a neutral gave the verdict in favor of the negative. After the debate, a few words were spoken by Rev. R. C. Blagrove. Miss Moran rendered a solo and Miss S. McPherson gave a reading. Mr. J. Diamond, the president of the A.Y.P.A. occupied the chair. After refreshments were served and the singing of the National Anthem a very profitable and enjoyable evening closed.

## SIDNEY FARM WAS SOLD

The farm of the late Sidney I. Sharpe, fourth of Sidney has been sold to Mrs. Thos. Cassidy of Madoc township. On April 7th an auction sale of the farm stock, implement and household effects will be held and immediately after the sale Mr. Cassidy will take possession. Mrs. Sharpe will move to Prince Edward to reside with her daughter, Mrs. Caverly.

## HAS ALREADY SOWN OATS

Mr. P. Shannon of Thorlow perhaps holds the record for early sowing of oats. Few imagined the spring was so far advanced as to warrant seeding, but this week Thorlow had been in shape for sowing. Not only has Mr. Shannon sown the oats this week but he is cultivating other fields.

## OBITUARY

### JEREMIAH SCRIMSAW

(From Thursday's Daily.)

The death occurred in Thorlow last evening of Jeremiah Scrimshaw at the advanced age of 87 years. He had been in poor health for seven years. He was a gardener by occupation. He was a widower and leaves a family of whom one son is Mr. Willet Scrimshaw of this city.

## ART EXHIBIT AT HIGH SCHOOL

(From Thursday's Daily)

The lower floor of the Belleville High School has been transformed into a real metropolitan museum of art by the excellent exhibition of sepia prints of great paintings, students' art work, and the collection of curios loaned by various citizens of Belleville.

The collection of curios is unique. Every one is from a Belleville home. Principal MacLaurin stated that there were enough curios in this city to fill the whole of the school building. There are more than sufficient to form the nucleus of a museum. Some of those on exhibition are—a policeman's club of the old days, a fire horn used many decades ago in Belleville, a Canadian head-plate, Chinese swords, a Turkish knife used in 1824 at the battle of Mississauga, Afghan daggers, the oldest horse pistol in Canada (200 years old), a sparker and flint used at Waterloo, a blunderbuss, an ancient wedding gown made at Ritchie's 40 years ago, a savage's anklet, a wooden dagger, a leather belt and African relics, the first lamp and first graphophone in Belleville, a savage's belts and a Japanese ivory fan. A Chinese flea catcher is a simple looking little contrivance.

More than 180 years old, it is made in the form of a book. The paintings of local artists and the beautiful art work of former high school pupils were much praised. The art gallery will regale many hours of study. The sepia prints are remarkably fine. They are hung in schools, the British, American, French, German, Italian, Spanish, Dutch, Flemish and Polish. The prints give an excellent idea of many of the great masterpieces in color. It is an interesting study to regard each school separately and then compare them.

Here the visitors received a card on which they place the names of the pictures which they think should be bought for the school and on passing out they return these. At the close of the exhibit the ten most popular will be secured.

The work of the High School students in the department of art is under the instruction of Mr. G. M. James, B.A., LL.B. A small portion of work is on exhibition. Modelling with plasticine has just begun.

Every form in the school is engaged in the art study. The inspector who recently visited the school said the Belleville institutions were the only one taking up this work in the 4th form.

The exhibitions of drawing, design, modelling, coloring, all possess originality in a remarkable degree. It is on the department of this quality that the department prides itself and that is its aim. While the instruction in classes is based on models, the students are in their own work urged to develop this wonderful quality of originality, and to give expression to their observation as touched by their imagination. The result is apparent in their studies. One can detect on all sides the difference in individual taste, in form, coloring, nature of subject and so forth. In this sense book knowledge is left far behind. A peculiar trait is the sense of humor which runs more or less through the great deal of the work. Perhaps this is a student characteristic.

The educational value of art is shown in its appeal to the individual. The student sees harmony of color and beauty of lines not seen by other eyes. The aim is to cultivate an appreciation of the beautiful.

Large crowds are attending the exhibition every afternoon and evening. It promises to be a great success financially.

Each evening during the exhibition a fine musical program is delivered.

Leaves changed and the funds are to be utilized for the purpose of providing reading matter for the Canadians at the front. As this is a purely patriotic affair it is expected that the magazine will meet with ready sale.

The Belleville city council has decided that the curfew bell shall be rung at 9:05 each evening, to warn children of the streets. We would strongly urge the Trenton council to follow suit.

## A DOUBLE FUNERAL

(From Thursday's Daily)

In West Belleville there was witnessed the rare occurrence of a double funeral on Tuesday afternoon. The obsequies were those of the late Arthur Phillips and Clarke Herbert Craswell, son-in-law and son respectively of Mr. and Mrs. John Craswell, 36 Sinclair street. Services were conducted by the Rev. Mr. Modie of Point Anne. The interments took place in Belleville cemetery.

Many paid their last tribute of respect to the deceased young man and boy by attendance at the funerals. The bearers who were all from Point Anne, acted in that capacity carrying both caskets to their last resting places. They were Messrs. H. Swenor, A. Swenor, R. Arthurs, A. Darlington, A. McDonald and A. Emmet.

## WONDERFUL BILIOUS REMEDY

ACTUALLY PREVENTS ATTACKS

There are two causes of biliousness—they are constipation and defective liver action.

When Dr. Hamilton's Pills are taken, they not only correct constipation, but act upon the liver as well. Quite unlike ordinary medicines which purge and give temporary relief, Dr. Hamilton's Pills remove the conditions which cause biliousness and thus permanent cures are effected. No person who occasionally uses Dr. Hamilton's Pills will ever suffer from the headache, bad stomach or bilious complaint. Get a 25c. box today.

## MUCH DIRTY MILK BEING RETAILED IN THIS CITY

Inspector Merr's Test Shows That Seven of the Sixteen Samples Were Foul With Stable Dust—Test for Butter Fat, with One Exception, Fairly Satisfactory.

Belleville, Ont., March 24th, 1915.

Names.	No.	1st	2nd	3rd	Remarks on Quality.
Reid F. F.	1	60	25	3.6	favor (air); stable dust.
Brownson Bros.	2	60	25	3.0	favor fair; quite dirty with dust.
Cummins John	3	60	25	3.5	O.K.
Shorey D. L.	4	60	25	3.0	O.K.
Whitfield H.	5	60	25	3.0	favor O.K., but quite dirty.
Brownson Bros.	6	60	25	3.0	favor O.K., but stable dust.
Calman A. S.	7	60	30	3.6	favor O.K., nearly sour.
Thrasher S. A.	8	60	30	3.3	favor O.K., clean.
Miller & Son	9	60	32	3.5	favor O.K., clean.
Boyd J.	10	60	32	3.5	favor O.K., clean.
Thompson A.	11	60	27	3.8	adulterated (watered).
Howe E. H.	12	60	30	3.2	stable dust.
Hensley H. G.	13	60	29	3.2	O.K.
Little John	14	60	31	3.4	too much stable dust.
Twiddy S. H.	15	60	32	3.5	O.K.
Waldron T. H.	16	60	32	3.2	favor O.K., but quite dirty.

More care should be taken in milking; we find more or less dust and dirt in the milk which usually comes from carelessness in milking. This is what makes the milk spoil quickly in warm weather.

I regret one sample of adulteration.

J. A. Kerr, Inspector.

To Dr. H. A. Yeomans, Belleville Health Officer.

OUR daily news letter from this thriving town furnished by The Ontario's special representative.

**Busy Trenton**

THE latest news of the town and surrounding neighborhood given in an interesting manner.

## TRENTON, March 25—The Secretary of the Board of Trade is to-day

in receipt of a letter from the Secretary of the Board of Railway Commissioners, informing him that the order directing the C.P.R., G.T.C. and C.O.R. to provide inter-switching facilities with the corporation limits, has been issued. The plan and location of the inter-switching tracks is also to hand and the companies are given 30 days in which to come to a decision regarding them.

The Board of Trade is entitled to great credit for the way in which it kept at this matter until success was assured. The matter of culling the streets occupied the attention of the Board of Trade executive on Monday afternoon. The majority of the executive were in favor of getting together all the data possible and at an early date conferring with the council with a view of having some action taken.

Mr. A. D. MacIntyre, accountant of the local branch of The Molsons Bank, has resumed his duties, after a two weeks' holiday.

Sapper Angus Mowat, of Ottawa, has been in town for a few days on leave.

Mr. Dave Sagar has purchased from Messrs. Sparling and Reeson, a very handsome overhead cast hardware business from Mr. Geo. A. White.

The Khaki Magazine, which is on sale at the book-stores, is one of the finest periodicals yet seen in Trenton. One hundred copies have been placed in the hands of the dealers, who have kindly consented to make no charge for selling them. Fifteen etc.

The Khaki Magazine, which is on sale at the book-stores, is one of the finest periodicals yet seen in Trenton. One hundred copies have been placed in the hands of the dealers, who have kindly consented to make no charge for selling them. Fifteen etc.

The Belleville city council has decided that the curfew bell shall be rung at 9:05 each evening, to warn children of the streets. We would strongly urge the Trenton council to follow suit.

Town Solicitor Abbott and the council went to Belleville last evening to interview the Hon. R. Rogers, Minister of Public Works regarding aid for the proposed new bridge over the Trent. We believe they received promises which are considered satisfactory.

Belleville is doing the wise thing in affiliating with the National Patriotic Fund, and we are sure that more than the \$30,000 will be subscribed. We must remember that if we don't fight, we must pay.

TRENTON, March 25.—"September Morn," the finest musical comedy of the season, will be the attraction at the Weller Opera House on April 9th. This piece has with unusual run at the Grand Opera House, Toronto, last January, and is now booked for a return engagement. The company is a large one comprising some of the best people in the musical comedy world, and as we had the pleasure of hearing the piece early in the year, can conscientiously recommend it as the best offering ever made to his patrons by Mr. Weller.

Those who prefer broad comedy will enjoy "Bringing up Father," which attraction will appear at the Weller Opera House on Tuesday Evening, April 6th.

The death is announced in the daily papers of Geo. McMullen, a well known inventor and railway builder, for many years a resident of Picton. The late Mr. McMullen was interested in the building of the Central Ontario Railway.

Mr. Jack Orrill has purchased a new MacLaughlin car.

We forgot to mention that the tango dancing introduced in the musical comedy "September Morn," supersedes anything of that nature we have seen. The ladies who are interested in the new steps and new gowns, will look forward to this part of the entertainment with pleasant anticipation.

Mr. G. F. Sherman, of the Molson's Bank staff, is ill with la grippe. Mr. They, who for many years was in the employ of the Miller Bros. Co. of Glen Miller, has decided to remove to Frankford and take a position with the Trent Paper Co. of that village.

So many of the men of the 21st Battalion are home on furlough that it looks as though it may be only a few days before they leave for the front.

The Trenton Choral Society will produce the Cantata "Ruth" in King Street Methodist Church, on Tuesday evening April 13th. Mr. Fred Phillips has been secured to sing the bass solo.

The Trenton Old Boys' Association of Toronto holds its third annual reunion tomorrow evening. A number of local gentlemen and ladies received invitations.

The enterprising firm of Long Brothers, confectioners, whose headquarters for manufacturing are at present at Campbellford, have opened a third store in the thriving town of Port Hope. It has been hinted to us that before long developments may be looked for tending to the concentration in Trenton of this firm's manufacturing activities.
