Y. M. C. A. Notes
The Sunday School basketball league is going fine. On Friday night last the game between St. Andrew's and Baptist was very even until the last 10 minutes when the St. Andrew's drew away from the Baptist by a score of 25 to 15. The standing of the league is as follows—

Street	Played	Won	Lost
St. Andrew's	3	0	3
Christ Church	3	1	2
St. Michael's	2	1	1
Baptist	3	2	1

Next Friday night John Street and Christ Church meet in the first game. St. Michael's and Baptist meet in the second game.

On Saturday afternoon at 3 o'clock the Y is open for all boys that do not belong. Any boy in the city may come to the Y and play in the gym and have a good swim. Remember the day, Sat. Jan. 29 at 3 p.m.

Sores Heal Quickly.—Have you a persistent sore that refuses to heal? Then, try Dr. Thomas' Electric Oil in the dressing. It will stop sloughing, carry away the proud flesh, draw out the pus and prepare a clean way for the new skin. It is the recognized healer among oils and myriads of people can certify that it healed where other oils failed utterly.

Trenton

TRENTON, Jan. 24th.—G. W. Ostrum, 24th, Trenton, N.J., just received a very interesting letter from his son, Earl Ostrum, of the 2nd Canadian Mounted Sub-Park, now "somewhere in France," describing his visit of Christmas day to the beleaguered town of Ypres.

As he drove toward the town over cobbled roads, he was impressed by the terrible havoc wrought by the Germans, English and French artillery fire from which this region has suffered so severely.

On reaching the town, he visited the most beautiful Cloth Hall, now in ruins. He also describes the Cathedral as a wonderful example of medieval architecture and he says it has not been so much damaged by the bombardment as the Cloth Hall.

This was certainly a unique experience for a Canadian.

MONSTER RECRUITING MEETING

Monday, Jan. 24th, one of the largest evening one of the largest and best conducted of patriotic meetings was held in the Trenton Opera House.

It was held in the interests of the 15th Battalion of the Canadian Expeditionary Force, of which many officers and men were present.

Mr. T. A. O'Rourke of this town was in the chair and conducted the meeting in such a manner as we know him to be always capable of doing.

After a few introductory remarks the chairman called on Mayor Ireland for a solo which was rendered in an efficient manner. Following were several musical numbers and speeches. Col. Adams of Trent first gave a short address and spoke a word of advice to mothers and fathers as well as the young men. He invited everybody to "come" with him and the men of the 15th Col. Adams remarks were greatly appreciated and firmly impressed the men present.

Following Col. Adams, Mr. John Elliott, manager of the Standard Bank of Belleville gave a fine address on recruiting. Mr. Elliott spoke impressively, he made us feel the bare feet and showed us how very necessary it was to get the colors and fight for the dear old flag.

Our old friend, once Corporal, now Lieutenant Sanford, again delighted the audience with a few anecdotes from his own experience, also calling on the boys to "come."

Colonel Armstrong, Rev. Mr. Harrison and the Rev. Mr. G. E. Ross also gave short patriotic addresses and each expressed their feelings in the eloquence of the poet and expressed their desire to fight with their brothers and fellow countrymen.

Perhaps one of the most pleasing numbers of the program was the presentation to Sgt. Anderson of this town of a watch and pocket. Sgt. Anderson is a member of the 15th Battalion and presented the watch on behalf of the members of the platoon. Sgt. Anderson, who is leaving for Kingston to take a Major's course, replied and thanked the donors.

After the presentation the words were well chosen and spoken in a manner expressing his deep feelings and emotion. Some of these taking part in the musical numbers were Mrs. Kruger, Mr. Geo. Kenny, Mr. Jones and Mr. Ostrum. The latter every one rendering delightful patriotic solos. There are certain to be good results from a meeting which was so well conducted and which advanced so many arguments in favor of the "dickers" enlisting.

Thugs of India.

Among the countless varieties of criminal which infest the large cities you are doubtless familiar with the one commonly designated by the name "thug," a ruffian who would stab a person in the back for a few cents.

The name "thug" is derived from the old religious order that flourished in India, unmolested up to about 1830.

Thuggee was practiced by religious fanatics, whose creed prohibited the shedding of blood. Any human sacrifice which might be offered to the goddess Kali must be slain without the breaking of the skin or the appearance of one bloodstain. Usually the thugs masqueraded as pilgrims or peddlers, got the confidence of their victims and then strangled them by means of a rope, a handkerchief or an unwound shawl. They were then buried in shallow graves, dug with a consecrated pickaxe, and a third of the plunder was laid on the altar of Kali their barbaric deity.

At nine o'clock, Monday, Jan. 20, Miss Anna McRobert, and Edward Brownson, Detroit, Mich., were united in marriage by Rev. T. McCarthy. The bride was Miss Mary McRobert, daughter of the late Mr. McRobert who had an operation for appendicitis in the Hotel Dieu, Kingston, is improving.
