In all countries. Ask for our INVENTOR'S ADVISOR, which will be sent free.

NATION & MARION

Washington is discovering numerous cases of women having married two or more U.S. soldiers to get their war insurance.

A Sure Corrective of Flatulency.—When the undigested food lies in the stomach it throws off gases causing pain and oppression in the stomach's region. The belching, or eructation of these gases is offensive and the only way to prevent them is to restore the stomach to proper action. Parolee's Vegetable Pills will do this. Simple directions on each packet and a course of them taken systematically is certain to effect a cure.

The two famous comedians, Charlie Chaplin and Harry Lauder, have collaborated in the production of a film for the benefit of the boys at the front.

Scale of Wages of County Work

Tribute to Mr. and Mrs. Wilson by County Council—County Rate 9 1/2 Mills—Work on Roads and Bridges—The Estimates.

In view of the new arrangements whereby the road from Belleville to Maynooth is assessed as a provincial county highway, the Government paying 60 per cent. of the cost of building and maintenance and the county 40 per cent., the report of the county road chairman and superintendent was amended by taking from the township appropriation through which the road passes the following amounts as given below, and an appropriation of \$16,000 was made on the said provincial county road and 50 per cent. will be added to the amount so taken from the different municipalities, except Tudor, and the balance of the \$8,350 will be appropriated on the road from Madoc and Tudor boundary north to Maynooth, the amounts taken away being as follows:—Thurlow, \$1,500; Huntingdon, \$1,800; Madoc Twp., \$1,500; Madoc Village, \$3,000; Tudor, \$700—total \$5,500.

Madoc boundary north to Maynooth \$3,250 in southern municipalities 7,650 Total \$16,000

The chairman of roads and bridges, Mr. J. H. Clare, and Road Supt. H. G. Bleeker reported on the condition of county roads and bridges. Their report showed that the county roads and bridges came through the spring ice jams well. They thought 30 per cent improvement should be made in the appropriation of 1917 for the year 1918 for roads on account of increased cost in materials and labor.

According to the sum of \$48,189 was recommended to be placed in the estimates as follows:—Sidney, \$5,215; Thurlow, \$7,445; Tyendinaga, \$2,809; Rawdon
