Small Boat at Fox's Creek f Was Upset—Miss Annie ANOTHER BAD Fox Was Gaught and Held Under II, But Was Saved by a Passenger on the Victoria, Who Jumped from the Upper Deck

A fatality was narrowly averted yesterday afternoon at Fox's Creek, on the St. John river. The Star liner Victoria was on her down trip, and when opposboth legs. He had been working with ite the wharf at Fox's was signalled a few minutes a row boat left the short. Davis is president of the company, surgeon of the companies. Three officers, forty-six boys, three pipers and fell beneath the cars. Both legs were steps were lowered. The occupants of the row boat were George W. Fox, his daughter, Miss Annie Fox, and his pacity, turning out from one to two ousin, Frank Fox.

George Fox was rowing and when he came close to the stramer's side he did not stop the boat and she went under the wing of the Victoria. This caused t to epset and the three occupants were precipitated into the river. The boat turned bottom up on top of George Fox and his daughter. Frank Fox managed to swim clear of the craft and he scon reached the steps at the steamer's side. In a few moments Mr. Fox extricated himself from under the row boat and contrived to get on top of All this time had elapsed before Miss Fox was seen. The row boat Hon. C. W. Robinson, premier of the moved a few yards and the passengers province, was in the city yesterday. To on the steamer were horrified to see Miss Fox sinking. She rose to the sur- Robinson said that nothing could yet face however and a small boat was sent | be announced concerning the appointout from the Victoria. Richard I.
