The Huckleberry on Murphy creek, though an

undeveloped property, has a splendid surface showing. There is a 16-foot ledge between por- ball clubs, was held in this city on Tuesday last

over there this week looking over the ground. He staked off a claim, the Mary Alice, in the draw about half a n.ile from Trail. Mr. Smith says the claim has one of the cleanest ledges he has seen. It is a clear cut vein six feet wide. No assays are yet obtainable.

steamer Trail is able again to reach the Robson

and Teetzel Are the Aldermen-Big Celebration Last Night.

NELSON, April 15.-[Special.]-John Houston was elected mayor of Nelson today by a vote of money. The contract for furnishing the lumber has been let to the Nelson Sawmill company at \$10 per thousand feet delivered. The branch of the mill here has begun sawing out the lumber needed. The bridge will be 44 feet wide, and three-inch planking will be used. Nearly 100,000 feet of plank will be needed. Harry Bird has taken the contract to lay the floor at \$1 per thon. The aldermen on Houston's ticket who were elec-

ted are, A. Dow, F. Fletcher, J. A. Gilker, C.

The interest displayed in the election was in-tense, although no trouble of any kind occurred. The town is perfectly wild tonight and a great feast is in progress. A brass band is making things lively and brooms soaked in kerosene make admirable torches. Our honored friend Marks is on a white horse and yelling like a Commanche. Good will prevails and everybody

From a Houston Man.

NELSON, April 15 .- [Special.]-The greatest excitement has prevailed here all day over the

municipal election, and particularly the mayor as it is really a long trestle over the draw between El Dorado and Victoria streets, on Bay avenue. But it is always called the Bay avenue bridge, and by that name only is it known. It will connect the two sides of the town with a broad street, and is of the utmost importance to the future of Trail. the poll closed at 4 p. m. an immense crowd sur-rounded the court house with suppressed eager-
