Still the Fever is the Ultra Medical School!

That great purgative which opens the humor-fraught veins of infection and wholesomely all disease, every grievance drawing on indigestion, from a disordered state of the Appetite, down to the Stomach and Bowels.

DR. HALSEY'S
GUM-COATED
FOREST PILLS.

(A Sarsaparilla preparation of unsurpassed efficacy.)

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal virtue. They are warranted not to contain one Mercury or Mineral whatever, to nauseate or gripe, cause tingling sensation in the flesh, change the breath, or endanger the system in any way whatever, but to be safe, sure and effectual in the cure of diseases than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids given over by their Physicians as incurable have found relief, and been restored to health and enjoyment of health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and deaths in families than all the diseases put together. In the latter parts of Summer and Autumn, when the atmosphere everywhere is poisoned from miasma, arising from stagnant pools and decay of vegetation, whole families are sick a down by Malignant Fevers, Fever and Ague, and other dangerous diseases, all proceeding from a bilious and foul state of the stomach. No person can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of paying due attention to the early symptoms of bile and foul stomach.

Superficially of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death, which they might have escaped by timely attention to themselves. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., the whole control of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They not her cause purging nor any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted of this vicinity has induced thousands to commend them to their friends and the public, for the benefit of worth and integrity in almost every part of the country have testified to the world in favor of their great effects in curing disease.

Testimonial after testimonial showing their great powers of curing in all cases every class of disease have been tendered to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1843.

DR. G. W. HALSEY,—Sir:—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1842 many of my sons were taken at the same time with Bilious Fever. For several months they were confined to their beds. I employed a physician, but at this time I knew you had established your Forest Pills in the house, I accordingly got a box of your Forest Pills and commenced to try them. I gave to each of them all Pills, more or less according to their ages; some three Pills more. For a short time they gave them three Pills more. They commenced, the remaining away much sick and distress. On the following day the fever had left them, and they began to recover. In short my sons left their beds in three days. I have always kept your Pills since that time, and have always found them to be the most happy results.

NOTICE TO THE PUBLIC.

Dr. Halsey's Pills were first made known to the public, under the examination of Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who counterfeited the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will he had gained by curing thousands of diseases.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will in future be coated with

GUM ARABIC,

An article which in every respect supersedes Sugar, both as a means of their healing virtues and its durability. The discovery of this improvement is the result of a number of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. They retain their wholesome qualities of pure Gum Arabic, with which they are coated, much better than Dr. Hale's celebrated Sugar-Coated Pills. The Gum-Coated Pills are not liable to injure from dampness, but remain the same, retaining all their virtues to any definite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imposition it is requested of the Dr. Halsey's true and genuine Pills see that the label of each box has on the signature of G. W. HALSEY.
