LITTLE ENGLAND IDEAS DISCARDED

Says British Liberalism Now Has Distinctly Imperialistic Tinge.

WINNIPEG, Sept. 9.—If you are proud to be members of the British Empire, as I believe you are, we in the mother country are no less proud to count you as such.

Pointing out that the English Liberal party had discarded "Little Englandism," and that "Colden" had never determined the policy of that party, he emphasized the fact that the age when the dominions or the colonies used to be regarded with indifference in the old country had passed absolutely.

The people of Great Britain were cordially in sympathy with the vigorous and active democracies in the new countries, and he was convinced that when Ireland got home rule we might see the people of that country as proud of the empire, as sympathetic to the great dominions, and regarding as useful service as any other portion of the United Kingdom.

East York Government Candidate Had an Easy Time of it.

TORONTO, Sept. 9.—East York electors again endorsed the administration of the Whitney Government yesterday by electing George S. Henry, former warden of York, to the Legislature, succeeding Alex. McGowan, the new sheriff of York.

The vote was light, about 1,000 fewer votes being recorded than in the general election of 1911. Henry, having a majority of 616 over Albert Chamberlain with a few scattered polling places to hear from.

ARE WORTH THEIR WEIGHT IN GOLD

What Jas. Ferguson Says of Dodd's Kidney Pills

Quebec Man Cured of Backache, Rheumatism and Headache, Voices General Sentiment in Regard to Greatest of Canadian Remedies.

SELLARVILLE, Bonaventure Co., Que., Sept. 8.—(Special)—"I can say Dodd's Kidney Pills are worth their weight in gold."

"I have taken Dodd's Kidney Pills," Mr. Ferguson continues, "for backache, stiffness of the joints, rheumatism and headache, and found them as represented."

"I cannot say too much in praise of Dodd's Kidney Pills, and give my full permission to have my name published in regard to them."

People who have been sick and cured, want to tell of it. They are grateful to the remedy that gave them back their health.

That is why, from one end of Canada to the other, people are talking of Dodd's Kidney Pills. They cure kidney disease, and kidney disease is the root of the great majority of diseases to which the Canadian people are heir.

Dodd's Kidney Pills cure backache, lumbago, rheumatism, gravel, diabetes, heart disease and Bright's disease, because any and all of these spring from diseased kidneys.

Hospital Probe On at Hamilton

HAMILTON, Ont., Sept. 8.—Before Judge Snider to-day at the hospital inquiry, Mrs. Robinson, a resident of Mount Hamilton, told the circumstances in connection with the death of her child, which was being treated for diphtheria.

At the inquest, which was held at the hospital, the coroner, Mr. Snider, asked the nurse, Miss Bell, whether she was short of nurses at the time, both she and Dr. Langill blamed the gas pressure for the accident. Other witnesses complained about the dirty linen in the institution.

With Edged Tools

By Henry Seton Merriman, Copyright, 1894, by Harper & Bros.

At dinner Victor Durново was quite charmed with the interest that Jocelyn took in the exposition, of which, as we have said to be understood, he was the chief.

"Well," said Maurice, when Jocelyn had left them, "I suppose you'll be a millionaire in about six months?"

"He gently pushed the wine toward him at the same time. Durново had not slept for forty hours. The excitement of his escape from the plague ridden camp had scarcely subsided.

"Not so soon as that," he said, "but in time—in time."

"Lucky beggar!" muttered Maurice Gordon, with a little sigh.

"I don't mind telling you," said Durново, with a sudden change of countenance, "that what it is, I can't tell you more."

"Simiacine," repeated Gordon, frowning at the stem of his wineglass and looking at him keenly between the candle shades.

"By Jove, I wish I had a hand in it!" Maurice Gordon pushed the decanter again—gently, almost surreptitiously.

"Can't tell you now, but I will in good time—in my own time. Come, let's join and put it by 'em."

During the three days that followed Durново's departure from Missa Jack Metcalfe and Oscar learned to know each other. These three days were as serene a test as could well be found, for courage, humanity, tenderness, loyalty, were by turns called forth by circumstance.

white men at Misala was a danger to themselves and no advantage to the natives. It would have been very simple to abandon the river station, leaving there such men as were stricken down to care for each other.

WOMAN TOOK FRIEND'S ADVICE

And Found Health in Lydia E. Pinkham's Vegetable Compound.

Windom, Kansas.—"I had a displacement which caused bladder trouble and I was so miserable I didn't know what to do."

"I suffered from bearing down pains, my eyes hurt me, I was nervous, dizzy and irregular and had female weakness. I spent money on doctors but got worse all the time."

"A friend told me about the Pinkham remedies and I took Lydia E. Pinkham's Vegetable Compound and was cured. I cannot praise your remedies enough for I know I never would have been well if I had not taken it."

Consider Well This Advice. No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism.

If you want special advice write to Lydia E. Pinkham Medicine Co. (Confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

And during these three days, whereas they never took an organized meal or three consecutive hours of rest, Joseph, Meredith and Oscar rose together to that height of manhood where master and servant, educated man and common soldier, stand equal before their Maker.

Owing to the promptness with which measures had been taken for isolating the affected the terrible sickness did not spread. In all eleven men were stricken, and of these ten died within three days. The eleventh recovered, but eventually remained at Misala.

It was only on the evening of the third day that Jack and Guy found time to talk of the future. They had

never left Durново's house, and on this third day they found time to dine together.

"Do you think," Oscar asked bluntly when they were left alone to smoke, "that Durново spotted what was the matter?"

"I am afraid that I have not the slightest doubt of it," replied Jack lightly.

Guy Oscar gave a contemptuous little laugh which had a deeper insult in it than he could have put into words.

"I hate dealing with cowards." "And I with fools! For everyday you give me a coward by preference."

"Yes, there is something in that. Still, I'd throw up the whole thing!"

NO DRINKING MAN NEED DESPAIR

The Neal Cure—Greatest of All Modern Discoveries—Offers a Means of Escape from the Curse of Drink. A cure of the Drink Habit is Guaranteed in Three Days no Matter Whether the Patient is a Hard and Constant Drinker, Social Tippler or Goes on Occasional Sprees.

There was wandering in the streets of Toronto lately a homeless man, who at one time held a splendid position, but drink was his downfall. To-day his wife, a cultured woman, works out by the day, endeavoring to support herself and little family. Think of it, you wives and mothers, who have homes of comfort and all that makes life worth living, what it would be to you to be deprived of these and forced to face the wash tub for an existence, as this poor wife has to do to-day?

But this home which was made a hell on earth through strong drink—as every drunkard's is—may be made into a heaven upon earth, as many have been made, as a result of the Neal Treatment. Three days only—the wonder of it—to effect a cure and make the victim of strong drink a new man, physically, morally and mentally.

We undertake to guarantee to effect a cure of the Drink Habit in Three Days, no matter whether the patient is a hard and constant drinker, social tippler, or goes on occasional sprees. Are you interested in a poor fellow going down, down, through the curse of drink? Then bring your influence to bear on him and bring him to the Neal Institute for treatment, drunk or sober, and we will undertake to remove the awful appetite for strong drink and deliver him to you a new man.

Here is an opportunity for REFORMATION SOCIETIES for INEBRIATES or any institution for the reformation of the drunkard, to test our ability to change the hard drinker into a new man, physically and mentally, in THREE DAYS' treatment.

We invite these Societies or any institution interested in the poor drunkard and the problem of dealing with him, to send us for treatment any victim of the drink habit, it makes no difference how much enslaved, and we guarantee to effect a cure in each and every case. Can you spend your money to better advantage or in a way that will bring in greater returns than in redeeming these victims of strong drink and giving back to their families kind fathers, brothers, husbands, and to the country most desirable citizens?
