"Down and Out" Says Liberal

[Canadian Press Despatch]

LONDON, Oct. 22.-"I guess we're down and out for twenty years to come," remarked one of the Liberal workers who waited in Hyman Hall last evening till all the returns of the East Middlesex bye-election

"I shouldn't wonder," was the reply of the defeated candidate, Mr. R. G. Fisher, as he reached for his hat and coat.

Before leaving the hall he spoke briefly to the faithful few who had lingered with him till the worst was known. Mr. Fisher was about as cheerful as the rest of the workers, who sat about the room and received in silence the news.
