**KENTVILLE TO HAVE NEW MODERN THEATRE.**

**Up-to-Date Fire Proof Structure to be Erected in the Spring.**

What has long been felt as a necessity in Kentville is at last to be realized. A new theatre, modern in every particular is to be erected on the property of Mr. Perry Bishop on Main St. This is easily the best location in town and Mr. Bishop is to be congratulated on his public spiritedness in undertaking a proposition of this kind. The plans call for a theatre of 44x98 feet in dimensions, with large balcony and boxes and will have a seating capacity of about 800. There will be a large standard stage with a loft of 40 feet, equipped with dressing room underneath. The floor will be graded and seated with latest opera chairs. Two large stores will be on each side of the theatre lobby the dimensions of which will be 16 x 45 feet. Two tenements will occupy the space immediately over the stores, equipped with baths and latest tenement requisitions. The structure when completed will add much to the beauty of the town. A steam heating system of latest type will be installed.

**112th Battalion Notes**

The boys marched to St. Stephen's Methodist Church Sunday, with Lieutenants Howe and Morris in command, and headed by the Kentville Citizens Band. They made a splendid appearance.

Lieutenant Emery Howe, who has been stationed here with the 112th, left Wednesday for Halifax having received the appointment of recruiting officer for the 112th, in Halifax County. The departure of Lieutenant Howe, is very deeply regretted by the boys, as he was very considerate and deeply interested in their welfare, and was extremely popular with them. They are glad, however, to know that he is recruiting for their regiment, and hope to have him back with them again. They gave him a great send-off Tuesday evening, previous to his departure.

The soldiers of the 112th Battalion now recruiting at Kentville are making splendid progress. The improvement in drill work is decidedly marked. The officers in charge, Lieutenant Morris and Lieutenant Howe have done splendid work and the men have been prompt to fall in line, and have made good use of their time.

The following promotions from the ranks have recently been made. Pte. N. Baker, Berwick, promoted to Corporal; Pte. Beeler, Berwick, promoted to Lance Corporal; Pte. McGee, Pt. Williams promoted to Lance Corporal; Pte. Roland Sharpe, Kentville, promoted to Lance Corporal.

A Soldier's Social was given to the boys of the 112th Tuesday evening by the young ladies of the Kentville Baptist Church in the vestry. The affair was a great success and thoroughly enjoyable. A very large number were in attendance the boys marching to the Hall headed by Lieut. Howe. The programme began with a peanut hunt which created much merriment, the winner being one of the soldier boys, who was presented with a box of chocolates. A splendid musical and literary programme was given, the music rendered by a section of the Kentville Citizens' Band adding much to the success of the programme. Short and interesting speeches were given by the chairman, Rev. J.

D. Spidell, Mr. Fred Fisher, Somerset; Mr. J. E. Kinsman, F. C. Rand and Lieut. E. Howe and Corporal Baker. Excellent refreshments were served and a social good time had by all.

Private Baker tendered a vote of thanks and voiced the appreciation of the soldier boys for the pleasant evening given them. He called for three cheers which were heartily given, followed by a "tiger."

The singing of the National Anthem brought the delightful evening to a close.

**PRETTY CHURCH WEDDING**

**King-Smith**

The Kentville Baptist church was the scene of a very pretty wedding Wednesday morning, when Mary Helen, eldest daughter of Mr. and Mrs. D. H. Smith, Kentville, became the bride of Mr. Harry Leonard King of Sussex, N. B.

As the strains of Mendelssohn's wedding march, well rendered by Miss Viola Bishop, filled the church, the bride-to-be entered attended by her brother, Private William Smith, of the Permanent Militia Force, Halifax, and took her place beside the groom, the nuptial knot being tied by the Rev. J. D. Spidell, M. A.

The bride was most becomingly attired in a travelling dress of brown English suiting trimmed with sable fur, with hat and muff to match and carried a lovely bouquet of pink and white carnations and ferns.

After the ceremony congratulations were received and the bridal party left by auto for the station, where they were given a great send-off by their friends, ere they departed on the express for their wedding trip through the Maritime Provinces.

The church was most artistically decorated with garlands of green and white, interwoven with lillies and true lovers knots and looked very lovely.

The bride was the recipient of a large number of useful and beautiful gifts. The groom's gift to the bride was a handsome gold bracelet watch, and to the organist a gold bar pin with harp pearls.

The bride will be greatly missed by her Kentville friends, and by the Baptist Church where she was a most energetic worker, but all will extend best wishes for a very happy wedded life.

Mr. and Mrs. King on their return will reside at South Park Street, Halifax.

**Late Casualties.**

Several Nova Scotians have been included in the casualties reported the last two days:

13th Batt.—Wounded, Lance Corp. Robert Payne, Rawden.

14th Batt.—Killed in action Sifton Mann, Campbellton, N. B.; Berry Lynds, Truro.

40th Batt.—Dangerously ill, Stanley Walton, Truro.

2nd Field Artillery—Severely wounded—Gunner Edgar A. Bertrand, Sydney.

Princess Pats—Seriously ill J. C. Shifton, Annapolis Royal.

**Cards of Thanks.**

Mr. A. Faulkner and family, Port Williams, wish to convey their thanks and gratitude to the many friends who by their sympathy and kindness assisted them in their recent bereavement.

The family of Capt. Louis Halburton, Canard, desire through our columns to express most sincere thanks to all who gave messages of sympathy, floral offerings, and to others who rendered kind assistance during the illness and at the funeral of the departed one.

German Submarine Wrecked off Spain.

Havana, January 10—A large German submarine, evidently bound for the Mediterranean, stranded, thirty miles Southeast of Cadiz, and all members of her crew were asphyxiated, according to officers of the Spanish steamer Vaeanera, arriving here from Cadiz.

**HERE TO STAY**

This, the end of our first half year in business has proven that we did not make a mistake in putting a third drug store in Kentville. True, it is no easy matter to equip a modern Drug Store and build up a successful business from a zero start, especially at the present time, and perhaps we cannot blame those who prophesied that our doors would be closed in three months, although one merchant was lenient enough to extend the period to a year.

There must be truth in the saying EVERY KNOCK IS A BOOST, because we certainly have had knocks galore, and business has been boosted into figures that are far above anything we ever hoped for. However, we desire to thank the public for their very generous patronage at a time when we most needed it, to assure them that we are HERE TO STAY, and that the longer we stay, and the more business we do, the better service we will be able to give them.

The quality of our goods we cannot improve, but our prices we can lower as business enables us to buy better. As much as possible, we buy direct from the manufacturers, and at present, more than any time in the past six months, we can offer you the best goods obtainable at positively the lowest prices in town, as we do business on a fixed percentage of profit, which makes a big difference from prices you have to pay elsewhere.

Following is a list of a FEW of the everyday articles we sell, with two prices, one—the usual price these items sell for at other places, and the other—Our price for cash, prices which never fail to attract new customers, and which were never offered to you before we opened last July.

Look over the following list and be convinced that it is to your advantage to deal here, and remember that these are prices we hold to EVERY DAY, although owing to the very unsettled condition of the market today, any of them are subject to change without notice. We lower the price when the market price falls but do not always raise the price when it advances because we buy things in very large quantities when indications point to an immediate advance.

Perhaps you do not find what you want in this list, if so, get our price before buying elsewhere. If you are too far away to come to the store, phone or write, and you will get the same prompt service that you would if you came yourself.

Figure on these prices, see how much money you wasted last year, and then make the decision that—IT IS WORTH WHILE TO DEAL FOR CASH WHERE QUALITY AND LOW PRICES GIVE YOU A SERVICE THAT CAN'T BE BEAT.

Let us get together and make 1916 a profitable year for us all.
