Brockville Recorder takes a hopeful view of what looks like a potato famine out here, and says: The late potato crop in Eastern Ontario will be a large one. The early crop in this locality was very poor, the poorest in fact for years, and to-day potatoes are selling here for \$1 per bushel, a higher price than has prevailed at this season for many years. When the later crop is harvested the price will no doubt be about the average of other years.

A TRAGIC DEATH

On Thursday evening last death came under peculiar circumstances to Mr Alfred Tackaberry of Oak Leaf.

Early in the evening the reflection of a fire attracted attention here and by phone it was soon learned that Mr Tackaberry's barn was burning. Several citizens drove out to his farm and there learned that Mr Tackaberry had not been seen since the discovery of the fire. He had been working with a boy on the farm all day but was not feeling well and after supper put on a fur coat, as the evening was chilly, and the boy left him sitting in the house when he went out to milk the cows. The boy was engaged in this work when he noticed that the barn was afire. He rushed out and gave an alarm and then hurried himself getting the cattle out. He did not see Mr Tackaberry, nor did Mr Botsford or others who were early on the scene.

The horrible suspicion soon took possession of the neighbors who had gathered that Mr Tackaberry was in the burning building, and as the fire burned low the body of the unfortunate man could be seen in the flames.

He had evidently rushed out on hearing the boy's call and on entering the barn had been overcome with weakness or been suffocated with smoke.

Of course, everything about the barn was destroyed, including the season's crop and several pigs. The origin of the fire is a complete mystery.

Mrs Tackaberry had that day gone to visit her parents, Mr and Mrs Shaw, Glen Elbe, and there learned the terrible news.

Mr Tackaberry was a most progressive and industrious farmer and this year expected to make the last payment on his farm purchased four years ago. He was a good honest citizen who enjoyed the esteem of the community in which he dwelt and of all in Athens with whom he had business dealings. He was 82 years of age.

On Sunday the funeral service was conducted at the home of deceased by the Rev. F. A. Read, who delivered a thoughtful address from Gen. 15: 1. The members of the L.O.O.F. also conducted a brief service and members of the society acted as pallbearers. Interment was made at Glen Elbe, many of the large concourse of friends following the remains to their last resting place.

DIED AT BASSANO

A telegram on Monday conveyed to Athens the sad news that Mrs G. M. Piroce of Bassano was dead.

Mrs Piroce was not in good health when she left with her husband and little son for Bassano over two years ago, and the change of climate has not proved beneficial. While it was known that she was far from well, the news of her death was a shock to her many friends here, where the deceased was well known and highly esteemed.

Besides her husband and son Ivan, Mrs Pierce, who was a native of McIntosh Mills, is survived by three sisters and one brother, namely: Mrs (Dr.) Moore of Athens, Mrs Wm. Ferguson of Alberta, Mrs Wm. Keyes of Lansdowne, and J. J. Jackson of Fort Saskatchewan, Alta. Her parents, Mr and Mrs George Jackson, reside at Glen Elbe.

VILLAGE COUNCIL

The regular meeting of the village council was held on Monday evening. All the members present. Minutes of last meeting read and approved.

A by-law to levy and collect the following rates was passed:

County Rate \$ 427.86
Village Rate 1024.68
Sidewalk 342.57
Town Hall Deb. 809.40
High School 918.00
Public School Deb. 190.95
Public School 2595.00

Application was made by the High School Board for an advance of \$500 on the requisition previously made to the township and village councils, and a by-law was put through arranging for an over-draft at the Merchants Bank for the village portion of this amount, \$170.

The report of the assessors equalizing the assessment of the township and village for high school purposes was, on motion, referred back to the assessors so that they might make the term for which the equalization is to last four years instead of one, as provided by the agreement under which the village separated from the township.

It was decided that such improvements be made on the "big" hill as will make it safer and easier for pedestrians.

Council adjourned.

G. F. Donnelley, Clerk.

W.C.T.U. CONVENTION

Leeds County W.C.T.U. held its annual Convention at Lansdowne on 28th and 29th of Sept. The day sessions were held in the Presbyterian church. The President Mrs M. Dowseley, took the chair and to the roll call about twenty officers and delegates responded.

The reports of the various departments of work showed that the usual good is being done. Perhaps the reports on Temperance in Sabbath Schools and that of the Lumberman's department require special notice. Good work was also reported by the Superintendent of the flower, fruit and delicacy Mission.

The Methodist Church opened its doors for the evening session. Rev Mr Wearall was the speaker of the evening. Rev Mr Beckstedt was the chairman and welcomed the ladies to Lansdowne and commended their efforts.

An excellent paper on Narcotics by Miss I. M. Ross of Brockville was read. Suitable music was furnished by the choir, with Miss Sparling as soloist. A resolution was drafted by Rev. Mr Kelly that as soon as three fifths of the municipalities in Ontario are under Local Option, the government be petitioned to place the province under prohibition. This suggestion is to be forwarded to the Provincial Convention at Winchester from 16th to 20th inst.

Business and the election of officers brought the convention to a close. The officers for 1911-1912 are:—

Pres.—Mrs V. L. Mackie, Lake Elzoids.

1st Vice-Pres.—Mrs A. L. Britton, Gananoque.

Cor. Sec'y.—Mrs C. C. Slack, Athens.

Rec. Sec'y.—Miss Geron, Brockville

Treas.—Mrs M. A. Johnston, Athens.

The delegates are bearing many useful hints to their unions, and it is expected that the fruits resulting therefrom will be preparedness and a zeal us care in the officers and a businesslike attention to duty in the superintendents.
