### THE PRINCE INVESTS IN WAR SAVINGS STAMPS

Not the least amongst the many gracious acts performed by the Prince of Wales during his brief stay in Ottawa was to invest in a complete certificate of War-Savings Stamps. His Royal Highness was delighted to find that in Canada War-Savings Stamps are on sale similar to those that are so popular in England. It was his intention to call at the post office and make his purchase of the stamps in the regular manner, during his stroll around Ottawa incognito, but pressure of other engagements prevented this being done. The stamps were therefore sent to him at Government

House and the sale duly made in cash by the Secretary of the National War Savings Committee. The Prince was quite willing that his investment should be made known, and kindly sent the following letter, with permission to publish it, to Sir Herbert E. Ames, Chairman of the National War Savings Committee:

Government House, Ottawa,  
1st September, 1919.

"Dear Sir Herbert,—

"I am pleased to be the holder of a Canadian War Savings Certificate.

"I am delighted to find that in Canada you have War Savings Stamps on sale similar to those we have in England.

"I wish the War Savings Campaign every success.

"I remain,

"Yours sincerely,  
("Signed) Edward P."

If you would gain mankind, the best way is to appear to love them; and the best way of appearing to love them is to love them in reality.—J. Bentham.

## LIFE

The Great "IF" in Life

It is this ever present "IF" that life insurance offsets. The man on a salary with a family to support will be able to provide for his loved ones IF he lives and does not become disabled.

He will pay off the mortgage on his house IF he lives until he has saved the necessary amount. He will send his son to college and present his daughter with a marriage portion IF an accident or an illness does not carry him off prematurely.

The partners in business will continue to prosper IF death does not rob the firm of the capital, brains or experience necessary to its success.

The youth will each week, or month, save something for his old age IF he sets aside a few dollars at regular intervals in a safe deposit-tory.

The aged mother will never experience want IF her son continues his dutiful support uninterrupted by death.

Thus the whole fabric is woven around the little word "IF."

The father on a salary, the partners in business, the son or daughter who supports an aged parent, in fact every man and woman on whom others depend, can make sure and permanent provision for the future by means of life insurance—IF taken in time.

Sign Today and Eliminate the IF

### SAFETY FIRST

# \$5,000.00 Challenge

THE CANADA PERMANENT TRUST COMPANY  
TORONTO, ONT.  
TORONTO STREET

No. 402, Toronto, September 16th, 1919.

Receipt is hereby acknowledged from  
the ONTARIO BREWERS' ASSOCIATION of the sum of  
FIVE THOUSAND DOLLARS deposited with us  
under a Challenge agreement made this day to the ONTARIO  
REFERENDUM COMMITTEE to prove that Beer containing 2.51%  
alcohol by weight is intoxicating.

A. J. Phelan  
Manager, Ontario Branch.

## TO THE REFERENDUM COMMITTEE

The Ontario Brewers' Association can no longer disregard the attempts of the Ontario Referendum Committee to mislead the people of this Province in the forthcoming Referendum.

In its campaign literature the Referendum Committee has corrupted the statutory ballot as set out below, and its advertising positively asserts that the light beer to be voted on is intoxicating.

The Referendum Committee is either misinformed or is deliberately misguiding the people for a purpose.

The purpose is to make the voters believe that they are voting for or against intoxicating beer.

Examine carefully the two ballots reproduced below.

### Government Statutory Ballot Paper

#### Question 2.

ARE you in favor of the sale of light beer containing not more than two and fifty-one one hundredths per cent. alcohol weight measure through Government Agencies and amendments to the Ontario Temperance Act to permit such sale?

#### Question 3.

ARE you in favor of the sale of light beer containing not more than two and fifty-one one hundredths per cent. alcohol weight measure in Standard Hotels in local municipalities that by a majority vote favor such sale and amendments to the Ontario Temperance Act to permit such sale?

#### Question 4.

ARE you in favor of the sale of spirituous and malt liquors through Government Agencies and amendments to the Ontario Temperance Act to permit such sale?

### Referendum Committee's Distortion

2. ARE you in favor of the SALE OF INTOXICATING BEER in Government Agencies?

3. ARE you in favor of the SALE OF INTOXICATING BEER in Standard Hotels?

4. ARE you in favor of the sale of all kinds of spirituous and malt liquor in Government Agencies?

The Government Ballot clearly shows that the public is only to vote for or against the sale of beer containing not more than 2.51 per cent. alcohol by weight.

## BEER CONTAINING 2.51 PER CENT. ALCOHOL BY WEIGHT IS NON-INTOXICATING

To establish that the 2.51 per cent. beer to be voted on is not intoxicating, the Ontario Brewers' Association have deposited \$5,000 with the Canada Permanent Trust Company, and they hereby challenge the Ontario Referendum Committee to deposit an equal amount with the same Trust Company to prove that beer containing 2.51 per cent. alcohol by weight is intoxicating, or admit that their literature is deceiving the electorate.

Upon the investigation, the losers are to forfeit their deposit to a charity or charities to be named by the Investigating Board. The investigation is to take place before a nominee of the Ontario Referendum Committee, a nominee of the Ontario Brewers' Association, and the third nominee to be agreed on by the two persons so chosen—and if they fail to agree, to be named by the Lieutenant-Governor of Ontario.

This Challenge to be answered immediately by the Ontario Referendum Committee.
