That there is a difference in brooms every one knows. That very cheap brooms are not very good ones to use is also generally known.

We are particular about the quality of the brush that goes into our brooms and see that nothing but the best goes out.

CRICKET CLUB

Records for Last Season and Preparations for Next-Season After Lent.

One of the largest and most enthusiastic annual meetings in the history of the Chatham Cricket Club was held last evening in the Garner House parlors. In the absence of the president, S. J. Sutherland, W. B. Wells took the chair.

The secretary and treasurer's reports were read, the latter showing a small surplus.

The secretary's report was as follows:—

I have to report that of the eight games played by the club in 1901, seven were won and one game was lost. Of the games won two were from the Detroit Athletic Club, two from the Victoria Club, of Windsor, and Walkerville, from Gordon-McKay & Co., and from Kingsville, the game lost was to the Gordon-McKay & Co., on their return match played in Chatham, August 5th. In the matches 10 innings were fully played, in which Chatham C. C. made a total of 695 runs, an average of 69.5 per innings, our opponents made 182 runs in a like number of innings or an average of 45.5 per innings. Our average for 1900 was 93 runs, in 1899, 89.6, so last season's average shows a great falling off in the batting ability of our members; on the other hand the bowling averages are better than this department was ever reported before in the club's history; I mean, of course, better as a whole. The successful showing made by the club last season was undoubtedly due to the superior work with the ball.

Appended hereto are the batting and bowling averages for the season.

Respectfully submitted,
JOHN REEVE, Secretary.

Chatham Cricket Club, batting averages for season of 1901:

S. Mercer, batsman: 4 innings, average 22.4.
J. Horstead, bat., 3 in.; av. 17.2-3.
W. J. Feany, bat., 6 in.; av. 14.1-5.
S. Koffey, bat., 5 in.; av. 10.3-5.
R. Richardson, bat., 7 in.; av. 9.
W. G. Richards, bat., 5 in.; av. 8.4-5.
Roy Miller, bat., 5 in.; av. 7.1-5.
R. Hutchison, bat., 6 in.; av. 6.1-5.
J. L. Nichols, bat., 10 in.; av. 5.1-2.
J. W. Aitken, bat., 10 in.; av. 3.5-7.
C. Brundage, bat., 3 in.; av. 3.
Dr. Tye, bat., 8 in.; av. 2.2-7.
W. B. Wells, bat., 10 in.; av. 2.2-9.
H. Dennis, bat., 1 in.; av. 2.
J. Roberg, bat., 6 in.; av. 2.
F. Brundage, Gates, West, Anderson, Rutherford, Rankin, G. Smith, and Dr. Russell also batted, but in less than 3 innings.

Bowling averages for season of 01, J. W. Aitken—108 overs, 33 maidens, 243 runs, 46 wickets, average 5.13-46.

Roy Miller—21 overs, 3 maidens, 94 runs, 8 wickets, average 5.3-4.

J. W. Kenny—100 overs, 23 maidens, 243 runs, 40 wickets, average 6.3-40.

The election of officers resulted as follows:—

President, S. J. Sutherland, re-elected.

Vice-Presidents, W. S. Ireland, A. Hayward, G. B. Douglas, Wm. Ball, T. A. Smith, S. Perrin.

Secretary, John Reeve, re-elected.

Treasurer, J. W. Aitken.

Match Committee, Dr. Nichol, W. B. Wells, and J. W. Kenny.

J. W. Woods, of Toronto, was elected an honorary member of the club.

Many eulogistic remarks were made as to this gentleman's kindness to the members of the Western Team that visited Toronto last September.

Negotiations are pending for the formation of a cricket league, comprising Pittsburgh, Cleveland, Toledo, and Chatham, London, Aylmer, Windsor and Detroit. The winners of each team to play for the trophy. A Western team will probably be sent to Toronto again this season.

The following members were appointed as a committee to arrange for the holding of a ball shortly after Easter:—G. S. Hayward, chairman; Dr. Nichol, A. M. Dowsley, H. W. Anderson, W. G. Richards, J. W. Aitken, S. A. Mercer, A. C. Woodward and Dr. Russell.

After a hearty vote of thanks to Miss Hest Eberts, of the Garner, for the use of her parlors, the meeting adjourned.

This is John Reeve's sixth consecutive year as secretary of the club.

DID JUSTICE TO MAJUBA DAY

Continued from Page 1.

happening on the Natal-Orange River Colony border, where Lt.-Col. Rawlinson, according to one version, surrounded a laager at dawn. Instead of opening fire he sent a messenger giving the Boers one hour in which to decide whether they would fight or surrender. Seeing that escape was impossible they surrendered unconditionally. Gen. Kitchener says that all the columns have not reported owing to the wideness of the district.

In addition to Rawlinson's capture the combined operations resulted in the capture of 2,000 horses, 28,000 cattle, 200 wagons, 60,000 sheep, 600 rifles, 5,000 rounds of ammunition, and Commandants Mayer and Truter and several cornets. Gen. Kitchener's despatch concludes: "These satisfactory results are very appropriate on the anniversary of Majuba."

Unofficial telegrams say that Dr. Wet, Steyn and Wessels, with a large body of followers, escaped before the Gordon was drawn. It is pointed out that the Boer losses in this drive are proportionately equivalent to the loss of 4,000 British.

"This passion for duelling brings so much unhappiness into the world."

"Ah, yes, that's very true! My wife's first husband was, I regret to say, killed in a duel!"

A CAUSE OF HEADACHE

One Very Common Cause: Generally Over-Looked.

Headache is a symptom, an indication of derangement of disease in some organ, and the cause of the headache is difficult to locate because so many diseases have headache as a prominent symptom; derangement of the stomach and liver, heart trouble, kidney disease, lung trouble, eye strain or ill fitting glasses, all produce headaches, and if we could only always locate the organ which is at fault the cure of obdurate headaches would be a much simpler matter.

However, for that form of headache called frontal headache, pain back of the eyes and in forehead, the cause is now known to be catarrh of the head and throat; when the headache is located in the back of the head and neck

it is often caused from catarrh of the stomach and liver.

At any rate, catarrh is the most common cause of such headaches and the cure of the catarrh causes a prompt disappearance of the headaches.

There is at present no treatment for catarrh so convenient and effective as Stuart's Catarrh Tablets, a new internal remedy in tablet form, composed of antiseptics like eucalyptol, guaiac and blood root which act upon the blood and cause the elimination of the catarrhal poison from the system through the natural channels.

Miss Cora Ainsley, a prominent school teacher in one of our normal schools, speaks of her experience with catarrhal headaches and eulogizes Stuart's Catarrh Tablets as a cure for them. She says: "I suffered daily from severe frontal headaches and pain in back of the eyes, at times so intensely as to incapacitate me in my daily duties. I had suffered from catarrh, more or less for years, but never thought it was the cause of my headaches, but finally became convinced that such was the case because the headaches were always worse whenever I had a cold or fresh attack of catarrh."

Stuart's Catarrh Tablets were highly recommended to me as a safe and pleasant catarrh cure, and after using a few fifty-cent boxes which I procured from my druggists I was surprised and delighted to find that both the catarrh and headaches had gone for good."

Stuart's Catarrh Tablets are sold by druggists at fifty cents per package, under the guarantee of the proprietors that they contain absolutely no cocaine (found in so many catarrh cures) no opium, (so common in cheap cures) nor any harmful drug. They contain simply the wholesome antiseptics necessary to destroy and drive from the system the germs of catarrhal disease.

"Why do you come to the hunt with your game bag already filled?"
"Because, when I returned in the evening from the last hunting trip I found all the stores closed."

NO VERIFICATION NEEDED AT HOME

Everybody in Oshawa is Familiar With This Case.

Joe Brown's Wonderful Escape from Death is now an Old and oft Told Story to the People of His own Town.

Oshawa, Ont., Feb. 28.—(Special)—When Joe Brown's escape from death has been revived by the recent publication of the facts in so many papers, Oshawa people are well acquainted with the whole circumstances. Mr. Brown's father-in-law, Mr. John Allen, whose place of business is right in the centre of the town, has, however, had to answer many questions recently, but as he was very close to Mr. Brown during the whole of his painful experiences in '97 and '98, he finds this an easy matter.

Mr. Allen is quite as enthusiastic as Mr. Brown himself, and never tires telling the story of how Dodd's Kidney Pills conquered disease, and saved Mr. Brown's life. He says: "We didn't think he would ever live through it, but although weak and able to work, but the pills made him all right and well in a short time, and the best of it all is that the cure has stood the test of time. It must be there and a half year since and as you know he's strong and hearty to-day and has been ever since Dodd's Kidney Pills sent him back to the shop."

There are many others in town who have recently been reminded of this wonderful cure of a seemingly hopeless case who find no trouble in calling up the facts, and none are slow to give all the credit to Dodd's Kidney Pills.

That's precisely what Vapo-Cresolene does. You light the vaporizer, the vapor of Cresolene is given off. Not a disease germ can live in this vapor, yet it can't possibly harm even the youngest child. It's the common sense treatment for all troubles of the throat and bronchial tubes.

Vapo-Cresolene is sold by druggists everywhere. TROUBLES OF THE SOLDIERS.

Leytonstone, Eng.

Dear Sirs,—

With regard to Kelpion, I cannot speak too well of it. It was the only medical store we had with us, and I don't know how we should have got on without it.

The Regulars were always "rolling" up for a "grab of Kelpion" for different complaints, and I certainly think that all soldiers should be served with "one pot Kelpion" when going on active service.

I think it was owing to your appointment that so many of us were able to keep up and do the record march under Lord Kitchener.

The first time I saw it used was for a bad foot, which was badly jammed by a railway carriage door. In three days he was able to wear his boots and in less than a week able to walk. At Orange River I used it for a "throat which was swollen to Tomtit's, and by rubbing your Kelpion well in, I was soon cured. For bruises, veldt sores, etc., nothing can beat it.

(Signed) Reg. E. Coombe, No. 504, C. I. V.

P. S.—I shall certainly advise my friends to use Kelpion.

Mrs. Robt. Melosh, Kingsville, Ont.

In the year 1900 I was a great sufferer with muscular rheumatic, tried many remedies without reaping any benefit, for five months I could not get one night's rest, I could not remove my arm from my side until I was recommended by a friend to go to A. G. Adams for treatment, which I did and in a very short time was able to do any work, in four weeks was restored to my natural health. I feel as if I cannot find words to express my feelings to Mr. A. G. Adams for what he has done for me.
