<text> CALIFORNIA ICE MARKET,—Ice selle at three cents per pound in San Francisco, and three companies have been competing for supplying the city. The first was the Boston company, which brings its ice from Boston by way of Cape Horn; but this long voyage renders it difficult for the com-any to sell ice cheap, and consequently its depot at Sacramento has been converted into a grist mill, and the company itself is sub to be shout used up. The second is the Sitka Ice Company, which obtains its supplies from the Russian possessions. The third is the North-west Company, which also gets its ice somewhere up the northern coast. These two sell much cheaper than the Bostonians, and are gra-ually getting possession of the market. STEAM VS. GUNDOWDER-Mr. Perkins, the son of a gentleman who some years ago invented and exhibited in the metropolis a steam-gun, has, through a contemporary, made the following offer: He says, "I am prepared to undertake to supply the government with a steam-gun, capable of throwing a ball of a ton weight a distance of five miles. If such a gun were fixed in Brunel's large ship of 10,000 tons, I venture to say, that Sebastopol would be destroyed, without losing a man."

MEDIATION BETWEEN THE ALLIES AND RUS STA .- The following Memorial has receive the signstures of a large number of most respect able citizens of New York. To the Honourable the Senate and House of Repr sentatives in Congress assembled.

To be Honourable the Senate and House of Repre-sentatives in Congress assembled. The andersigned citizens of New York respect-fully represent to your Honourable bodies : That they view with deep concern the bloody war now raging in the Crimea, between Rassia on the one havd, and Turkey, France and England on the other :--- wat that has already been atten-ded with a fearful waste of life and treasure, and which, unless appedily ended, threatens to involve the whole of Europe and to retard the civilization and commerce of the world. It has occurred to your memorialists, in view of the friendly relations existing between the United States and each of the contending Powers : of the matual interest of all parts of Christendom in the commen welfare : and of the high position of this county among the Nations of the Earth,---that while adhering to our established policy of avoiding all imperiment intervention in foreign affairs, and all entangling allinees,---this Country might, with great propriety, impartially tender its friendly modiation to the four belligerents, in the hope of ataying the slaughter of their gallant atranse, and zestoring, if possible, the blessings of pages.
