WORDS OF CAUTION TO YOUNG MOTHERS

Mothers must keep guard over the health of the little ones during the summer months. Summer is an anxious time for all mothers, but more especially for young mothers. It is the most fatal time of the year for babies and young children. It is then that stomach and bowel troubles come almost without warning, and often before the mother realizes there is any danger, the little one may be beyond aid. The mother must take strict caution to keep her little one's stomach sweet and pure and his bowels moving regularly. No other medicine can do this so quickly and thoroughly as Baby's Own Tablets. The Tablets should always be kept in the house. An occasional dose will keep baby well or if illness comes on suddenly the Tablets will quickly remove the cause and make baby well and happy. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

HOPE TO BREAK STRIKE AT MONTREAL

Master Builders Receive offer of Bricklayers From Ontario Points.

Montreal, July 6.—P. Lyall & Sons received an offer of 200 bricklayers today from outside points, while other builders claim that they have men. This does not alter the fact however, that all the big jobs are tied-up. The builders all refused to sign individual contracts with the Union, the headquarters of Indianapolis authorizing men to go to work for contractor who would sign separately. On the other hand the strikers claim that several of the master builders had offered to sign.

WINE, 1,900 YEARS OLD.

(Paris correspondence London Telegraph.)
Bottles of wine, 1,900 years old have been found in a sarcophagus dating from the first century of the Christian era in a graveyard at Bordeaux. That is to say, the bottles had once contained wine, for, according to the workmen who discovered them, they were completely dried up inside when uncorked. A chemist, without suspecting the workmen of having dried the contents up themselves, analyzed a deposit at the bottom of the bottles and pronounced it to be the residue of what had originally been very good wine. It appears to have been so good that the owner 1,900 years ago decided to be buried with it.

Agitation Started in the United States to Prevent Showing Fight Pictures

Boston, July 6.—The officials of the Christian Endeavor Society were much pleased today over the result of their movement started yesterday against the exhibition of the pictures of the Jeffries-Johnson fight. Urgent telegrams have been sent to all branch societies throughout the world to continue the agitation against the pictures.

Mayor Fitzgerald of this city who has the granting of all licenses for exhibitions of this nature, said today that Boston ought to take the lead in banishing the pictures which would be exhibited in this city.

ADVICE TO LADIES

Cornhill, N. B., March 9th, 1910. Messrs. C. Gates, Son & Co. Middleton, N. B.
Gentlemen—This is to say that in 1904 I was very sick with Heart trouble and Headache, due to change of life, my life seemed to me really not worth living, had a doctor in attendance, but kept falling away until I reached 125 lbs. I was advised to use your LIFE OF MAN BITTERS and SYRUP, which I did and can truly say they are wonderful. After I had taken the first two or three bottles I felt much worse than usual, but as the directions said this was sometimes the result I continued their use, and soon began to see marked improvement in strength, so that I was able to work and gained 30 lbs. in flesh. I thank you for placing these remedies within my reach, and heartily recommend their use to ladies at this time of life, and advise the continuance of them as I know it sometimes takes a few dozen bottles, but the cost is small compared with physicians charges. I am sending you this, that you may make it known and thus benefit some one who may be suffering as I was. With heart felt thanks, I am
Yours very truly,
MRS. JOHN FOLEY.

No Better Time for Entering Than Just Now

St John's summers are so cool, our position so elevated and our rooms so well ventilated, that we do not find it necessary to take a summer vacation, and we have good classes during the warmest weather. Also, students can get more attention than in the winter, when our rooms are crowded. Send for catalogue.
