Mr. Elmer Randolph, a popular author, being advised by a friend to try opium with the hope of getting ideas for a story he is writing, becomes addicted to the opium habit. How he loses his reason and is subsequently cured is told by the famous Eclair Co. in one of their best presentations. THE FORGOTTEN LETTER is a very charming romance of old Virginia. Pearl White, the popular Crystal star, excels herself in the sprightly comedy, SOME DOINGS. HAROLD'S BURGLAR is another lively comedy in which Baldy Belmont figures.

MISS ALICE CLARK, Prima Donna, sings (a) "My Hero" from the Opera Chocolate Soldier; (b) Within a Mile of Edinboro Town. Prof Spencer at the piano.

On Wednesday Miss Clark sings "A HEART CRY FROM THE WEST," a Newfoundland ballad. Words by Dan. Carroll; Music by Rev. P. Sheehan.

Picked Up Motor Boat

Kellman, arrived in port yesterday afternoon from London after an excellent passage of eight and a half lays from London. When the ship berthed a mysteri-ous looking boat was seen on the after deck. This boat was picked up about twenty-five miles off this port and there was nobody into it. This gave people on the wharf the impression that a tragedy had happened, but, fortunately, such was not the case. The dory contained a three horse power

motor engine, a half dozen oars and a quantity of gasolene. The outfit which is perfectly intact is owned by one Patrick Doran, of Logy Bay. One day last week while there was a heavy sea on the boat drifted from its moorings off to sea.

An order is received at breach of the game laws, was rethe Office, and finally payment is re-ceived at the Office. If the Office makes an error the firm stands the makes an error the firm stands the loss. That's why you must be sure that your office is modernly and dependably equipped for the care of all important papers. To do this effectively you need the up-to-date equipment of the "GLOBE-WERNICKE CO." When sixty offices in St. John's have found this necessity this equipment can surely be of use to you. Mr. Bercie Johnson represents this world known firm in Newfoundland.—

WANDERERS, 11; RED LIONS, 2.

Saturday at St. George's Field, the much talked of Challenge Match between the Red Lions and Wanderers a win for the latter by 11 runs to 2. Both teams had out their full strength, the Red Lions being especially reinforced by the addition of "Billy" Anderson who has returned for volunteer service. It was the Wanderers day out, however, and Brown, backed up by flawless fielding pitched a remarkable game, no Red Lion reaching first base in the first three innings and only three men getting to third base in seven innings. Only four hits were made from Brown's delivery, whilst Anderson was hit pretty freely. Features of the game were a running catch by Munn and the batting of Burkhardt the latter getting four hits in as many

times at bat. The score and line up RED LIONS.—Anderson, pitcher; Hiltz, catcher; Ross, 1st base; Robson, 2nd base; Frost, 3rd base; Winter, short stop; Munn, centre; Curran, right; Cooney, left.
